

SKCT MINI MAKEATHON

The Explore Engineers club and IIC cell of Sri Krishna College of Technology jointly organized the SKCT MINI MAKEATHON event on par with the technical symposium event AVANTAA'2K20. It was a round the clock event for 8 hours on the grand day on 27.2.2020. The young engineers with quenching thirst to do technical projects were the expected lot.

First, the participants were asked to submit the abstract and then a small presentation video of their project. The power points and videos were scrutinized by a panel of faculty members of each special research interest group of the department. The selected teams were intimated through email. Out of the 10 teams that applied, 7 teams were shortlisted to participated in the event on the grand day of AVANTAA'2K20.

The event followed an 8 hour schedule of continuous product development activity. The club co-ordinators instructed the teams with the rules and guidelines for the event. There were two stages of evaluation based on predefined rubrics. The business evaluation was done by Ms.R.Priya,AP/ECE,SKCT and the technical aspects were assessed by Dr.R.Vadivelu,Professor/ECE,SKCT.

Based on the expert evaluation report two teams were declared as the winners.The first and the second prize was bagged by two different teams from Dhirajlal Gandhi College of Technology,Salem. The technical event came to a close with the coordinators receiving feedback from the participants and interaction of the experts with the participated teams.
