

A seminar has been arranged on 13.09.2019 for third year ECE students at ES Seminar Hall. The resource person was Mr.S.Shankar Balaji, Prototype Engineer, Toyota Motors, Europe NV/SA.

**Objective:**

To explore the education and Job opportunities globally

**Outcome:**

1. Students gained a wide knowledge on how to prepare for the exams based on the countries
2. A rough idea on expenditures for the whole stay including living expenses were discussed
3. Students realized the importance of writing SOP
