Live YouTube Webinar on "LABVIEW"

TIME: 11:00 AM to 12:00 PM Date: 30.03.2020

The **Institution's Innovation Council (IIC)** and **Explore Engineers Club (EEC)** of Department of ECE has conducted a live YouTube Webinar on *"LABVIEW"* on 30.03.2020 between 11am to 12pm.The session was handled by Mr.S.Ganesh Prabhu, Assistant Professor, ECE Department. Around 140+ members attended the online Webinar.

This Online Session included the following topics:

1. Practical training on LABVIEW software.
2. Some shortcuts tools.
3. Programming difference between LabVIEW and other languages.
4. Simple programming exercises on LabVIEW.

This webinar will get you started with LabVIEW. You can expect to learn about the basics of LabVIEW Software, which makes it different from other programming languages and the richness of the libraries and add-on packages.
