DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Academic Year 2018-2019 (EVEN Semester)

ONE CREDIT COURSE-REPORT

One Credit Course on “Advance Automation in PLC” was organized by Dr.E.Nandakumar, Dr.S.Vimalraj & Mr. T.Bharani Prakash for III year Students. The resource person is Mr. Mano Moorthy from Vlands the Best hub Coimbatore and it was conducted on 14th &15th Mar 2019. On day one, Course was focussed on PLC Configuration and Programs & Proteus professional. This helped the students to know about the basic designing of PLC and the circuit design. The students successfully designed the display of traffic lights.

On the Second day, the Course dealt with the mini project design. Students learned about the applications of PLC software’s like OMRON and its usage in the current world. Industry training was given to all the students and the clarifications were solved by the resource persons. Assessment was conducted to all the students who have participated in their course and their performance will be evaluated. Finally feedback session was conducted and almost all the students gave positive feedback about the course.
