From the Editor

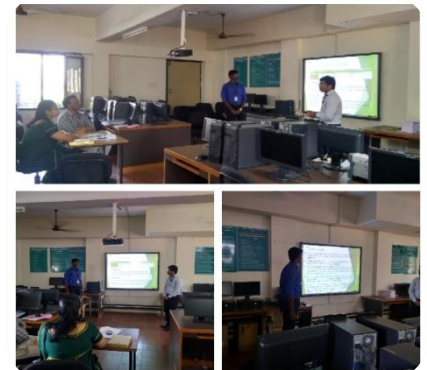

“If it is important to you, you will find a way. If not, you’ll find an excuse.”

When you start realising what priority is, you’ll understand what kind of a major role it plays in your life. Prioritising anything would help you evolve in life. Know what you want, aim for it, go for it. You ain’t getting anything just sitting idle. Remember to understand what you are and what you’re in need of. This digest would help you out in it.
