## Students' Corner

### ***Beat of Us #proudsctian***

*Apart from motivating the students in the curriculum SKCT also motivates them in co-curricular activities. One of them is **THE SKCT BAND**. When I started the club the college was generous in giving me a lot of opportunities. SKCT BAND was started to motivate the musicians inside the college and also encourages in bringing out various talents of students, through SKCT we have had the privilege of establishing an increasing community of musicians every year. #ProudSKCTian*
