Alumni Corner

Meetings & Discussions

Dr P Prathap, Professor and Head, Dept. of Mechanical Engineering, interacted with the students and staff coordinators regarding the list of events to be organized for Avanta'20 on 12 Feb 2020.
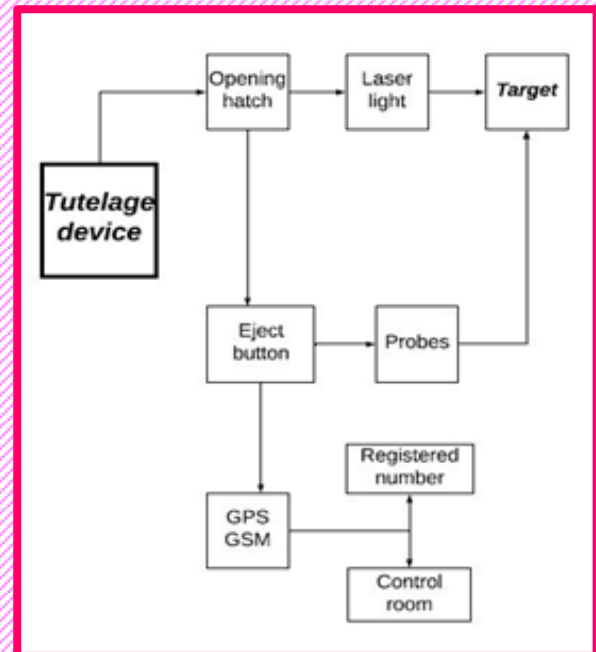

Meetings & Discussions

Dr G M Tamilselvan, Professor and Head, Dept. of Information Technology, convened a meeting with Members of Faculty in the Dept. of IT to discuss the Academic Progress.

Tutelage device

"Tutelage device is an electrical immobilization device that emits high voltage with low-current electrical discharge through probes in case of emergency and simultaneously send a distress signal to the control room and personal registered number with the help of GPS and GSM embedded in the device. The device will create great impact on National women security and huge demand in the market"- Project Developers

Mr M Aravind, Mr M Ashwin, Mr S Balavruthish, Mr R Adarsh and Mr S P Arun Vikash of Final year B.E. ECE A Section designed a Tutelage Device. The Project was guided by Mr S Ganeshprabhu, Asst. Professor, Dept. of ECE.

This project has been presented in several colleges and received great appreciation from experts.
