SRI KRISHNA COLLEGE OF TECHNOLOGY

COIMBATORE - 42

Award of Excellence

Dr Srinivasan Alavandar, Principal, Sri Krishna College of Technology, has been selected as one among the "Top 50 Exemplary Academic Administrators of Higher Education Institutes across India for the year 2019" by uLektz Wall of Fame, an initiative to identify, recognise & award the contributors of higher education. The selection team consists of eminent persons from Academia and Industry. He has been nominated for this award for his exemplary contribution in overseeing college or university departments, faculty, staff, programs of study, curricula, budgets, facilities, and more.

Student Achievement

Mr K Balamurali of Second Year M.E. Structural Engineering under the guidance of Dr I Padmanaban, Professor & Head, Dept. of Civil Engineering has presented and exhibited his project titled Two-way Power Production System and won the First Place in VISAI 2020-10th International Project Competition and Exhibition organized by Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science & Technology, Chennai during 24-25 Feb 2020.

Research & Development

Final year students from the Department of Instrumentation and Control engineering presented their papers on their final year project in the International Conference on Automation, Signal Processing, Instrumentation and Control (i'CASIC 2020) at VIT, Vellore during 27-28 February 2020.

The conference provided an international forum for sharing of knowledge and innovation in the field of Instrumentation, Control and Automation, Electrical, Electronics and Communication.

Open House Meet

Mr Gowtham, Mr Shankar Ganesh, Mr Prithvi Raj and Mr Sandeep Sarvesh from III BE ICE visited IISC Bengaluru for the open house meet.

One of the country's premier education institutions — the Indian Institute of Science (IISc), Bangalore had an 'Open Day' to showcase its activities to the student community today.

According to the IISc., students, science and technology enthusiasts will have an opportunity to visit the institute and go around the campus to explore the science and technology initiatives, and activities of the IISc through the open house meet.

The Open Day featured lectures, experimental demos, poster presentations, quiz contests, scientific competitions, and exhibitions in various departments and centres.
