STUDENT EDITORS

Ms. Shivani Balaji Srivastava
I IT
Ms. Jolly Jacob I MBA
Mr. Dhanyan I MBA

From the Editor

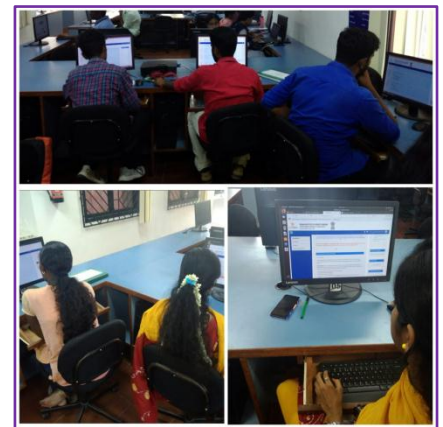

It does not matter how slowly you go as long as you do not stop. Confucius

No matter how slow your success continues to persevere in what you do until you reach your goal. It might seem that others reach success early but never mind. You are making a progress and be happy about it. Love what you do; you will do it no matter what your hurdle is.

- Editorial Team
