From the Editor

"In each and every election, it's your rights, it's your freedoms, and it's your interests that are on the ballot."- Todd Young

It's essential to vote if you are above 18. Apply for your voter ID's and claim your rights. Your life, your rules and the country which you live in needs proper guidance which could be decided only by your vote. Every single vote matters. Your decision and country's progress matters. Look beyond.
