Quote of the Day

"If you cannot do great things,
Do small things in a great way."

From the Editor...

We reap what we sow. We are the makers of our own fate. None else has the blame. None has the praise. - Swami Vivekananda

Karma is not only for pointing fingers, it's applicable in our own fate too. It's just as simple as that, we work hard; loyal and smart, success comes knocking our doors. If we are lethargic of what we do now, failure greets us at the hallway. So let's be sincere in what we do and have the good karma follow us.
