# KNOWLEDGE UPDATE

**CSE Department** -Dhivyaprabha E- AP / CSE & Ms. Padmavathy S -AP / CSE attending Five day FDTP on "Problem Solving and Python Programming" at MIT, Chennai from 13.05.2019 to 17.05.2019

**Mechanical Department**- Dr.T.Pridhar had an interaction with polytechnic staff regarding the usage of DOE tools.

**Mechanical Department** -Dr.S.Sundararaj Professor along with ISHRAE Coimbatore CWC members organized a technical talk on "Do's and Don'ts in VRF Systems" at Annapurna Hotel on 11.05.2019 from 6.30 to 8.30 pm and also organized a product presentation on "Air Filters" on the same day from 8.30 to 9.30 PM.

**Civil Department-** Faculty Ms R. APARNA from Civil Engineering Department attending four-week Faculty Induction Program (Version III) from 13th May to 9th June organised by Coimbatore Institute of Technology, Coimbatore.

**Mechanical department-** Mr.R.Harikrishnan AP- Mechanical Department is attending Four-week FDP on "Faculty Induction "Program" from 13 May'19 - 9 June'19 at Coimbatore Institute of Technology, Coimbatore.

**ICE Department** -Five days QIP sponsored Short Term Course on Thermoelectric Materials and its Applications by Dr T. Chinnadurai at IISc Bengaluru from 13<sup>th</sup> May to 17<sup>th</sup> May

## MEETINGS & DISCUSSIONS

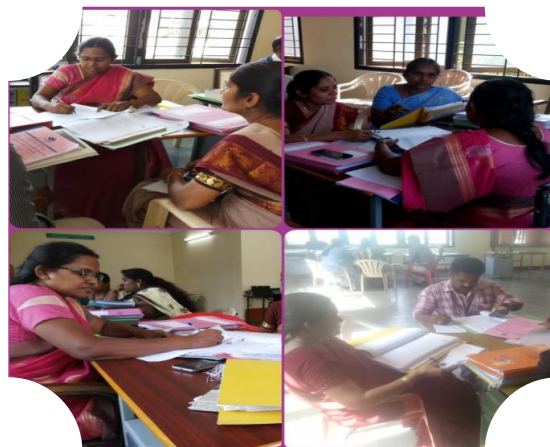

**CSE Department** -Dr. Tamije Selvy briefed a session on stock verification regarding library books.

**Mechanical department-** Dr.R.Srinivasan had a discussion with Mr.R.Nelson about preparation of proposal.

**Science & Humanities Department** - Academic audit was done.

**Civil Department-** Ms. Nithila from CIVIL ENGINEERING DEPARTMENT conducting stock verification in Library.

**SoM-** HoD convened a meeting to discuss about Summer Interns, Syllabus Finalization and Elective finalization for the I MBA students...

**IT & EEE** Library Stock verification was done

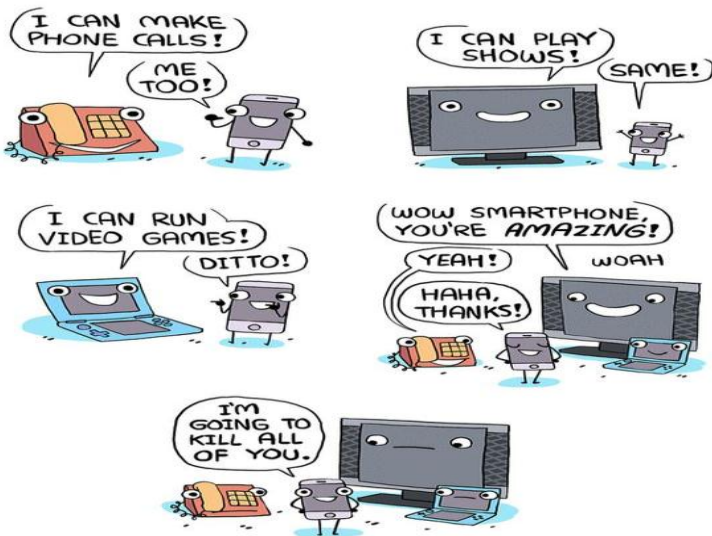

# ACCOMPLISHMENTS

**Electrical and Electronics Engineering-** The department of EEE is happy to announce that second year student MR. M.Naveen has won Gold medal in Boxing National championship held in Punjab.

## Did you Know?

### Did you know?

#### Inception

To plant a seed of idea in someone's mind, ask them to not think of a particular thing at all.

Let's say I ask you to not think about elephants. What are you thinking of?

## 7 Most Anticipated Gadgets of 2019

Here are the gadgets that can make 2019 a whole lot cooler!

### SAMSUNG'S MODULAR TV - THE WALL

- Resizable 146-inch TV
- Can be used and positioned in multiple ways, becoming a multipurpose display

### L'OREAL'S UV SENSE

- A nail-wearable tiny sensor that detects ultraviolet exposure
- Can help prevent sun exposure and improve skin health
- Has a temperature sensor and NFC antenna to connect to a smartphone

### PANASONIC LUMIX S SERIES

- First full-frame mirrorless camera with superb video recording features
- Has similar design as the Panasonic G9 but with a different mount

### THE PHILIPS 9000 SERIES 4K OLED TV

- Has razor-thin OLED
- Has Ambilight technology which makes the screen appear larger

### THE POWERDOT

- Uses electric muscle stimulation (EMS) to jolt muscle fibers for better growth
- Can connect to the Power Dot phone app to select workouts and intensity level

### ORAL B GENIUS 9000S TOOTHBRUSH

- Can connect to the Oral-B phone app to guide you to 'intelligent brushing'
- Warns you in case you are brushing too fast, too slow, too light, or too hard

### AIRPODS 2

- Water-resistant against rain and perspiration
- Its high-end version has a wireless charging feature and can activate Siri through voice command

## EVERYONE HAS A STORY | SAVI SHARMA | BOOK REVIEW

After seeing “Everyone Has a Story” break many records, I was very keen on reading this one. Savi Sharma is credited with being India’s first [successful self-published author](#). Her book was first self-published and after selling like hotcakes, she was offered a deal from Westland. And that was it! She was already famous. So obviously, even I got curious to read the book which had got everyone talking about it and had taken the publishing world by storm.

“Everyone Has a Story” is about a young girl Meera who is in search of a story and but has no idea where she might find it. In search of her story, she comes across Vivaan, a young and successful banker who has a secret desire; that to escape the world in which he lives and travel to his heart’s content. Then there is a coffee shop manager Kabir, who is a friend of Meera’s and is always encouraging her to write. Lastly, Nisha is a girl whom Kabir falls in love with and soon proposes.

The story starts interestingly, with a decent prologue but I remember reading through the pages one by one and still wondering when will it get real? When will the actual plot build up? The part which got everyone hooked, when will it come? Alas! My desires were never to be met. I just kept on reading and nothing seemed worth the time I was putting in and then just like that the story ended.

I remember thinking, “What was it that I just read?” and I kept pondering over what made the book sell the way it did. I had no answers again. So, to tell you all in one simple sentence – The book is seriously over-hyped. There is nothing good in those 180 odd pages. The plot is just missing and it actually cannot be called a plot. The characters seem to be an okay bunch but they too sometimes ended up doing things for no reason apparently. They lacked depth and it seemed to me that they also lacked rationality. The [use of language](#) is good. I liked some sentences and the meaning they conveyed. But those too were a bit overdone and ended up giving the book, a dull and monotonous tone.

There were certainly interesting moments in the story but they were short lived. The climax was unrealistic too. The storyline was such that it left many questions unanswered. Had some more thought and work gone into the plot and into pulling up loose ends, “Everyone Has a Story” would have fared much better. Now there are many who may differ with my views but this is solely my review and whatever I write here is my honest opinion. So, if you ask me, I would say refrain from buying this much-discounted book on Amazon and save yourself some precious hours.

Still, want to go ahead and buy it? Follow the link below and get your copy!
