KNOWLEDGE UPDATE

Dr. M. Deva Priya-AP/CSE, Dr.M.Karthigai Pandian-AP/ICE, Mr.A.Sureshkumar- AP/IT, Ms. S.Thenmozhi- AP/ECE, Ms. R. Preethi-AP/Civil attended a 3 days FDP on **Students' Induction Programme** at PSGITech from 27.05.2019 to 29.05.2019. Dr. Satishkumar, Mechanical acted as an observer.

EEE Department - Mr.K.P Suresh, AP,EEE has attended 5 days QIP on "Advance topic in Power System Protection" at IISc.Bangaluru.

CSE Department -J Beschi Raja AP/CSE has Attended IIT Bombay one day python coordinator workshop at Kathir College of engineering Remote centre on 25.05.19

CSE Department -Dr.M. Deva Priya attended the 3 days Faculty Development Programme - Student Induction (Level 0) at PSG ITech from 27.05.2019 to 29.05.2019.

Ms.M.S Sruthi AP/CSE & Ms.Suganya AP/IT have attended the 5days faculty Industrial Training on problem solving and programming in C (e-box training) at Amphisoft from 20-05-19 to 24-05-19

CSE Department -Ms. Dhivyaprabha E., AP / CSE & Ms. Padmavathy S., AP / CSE attended Five day FDTP on "Problem Solving and Python Programming" at MIT, Chennai from 13.05.2019 to 17.05.2019

Civil Department -Ms. R.Aparna, Assistant professor is attending 4 week Faculty Induction Program at CIT, Coimbatore from 13.05.2019 to 09.06.2019.

Mechanical Department –A Six day FDTP on Thermal Engineering was organized by the Mechanical Department in association with Anna University, Chennai.

School of Management –Mr.N.Karthikeyan participated in One Day FDP on Mutual Funds jointly organized by NISM Mumbai and Bharathiyar University ,June4th.

ECE Department -Ms. Gayathree AP/ECE, Ms. Banuselvasaraswathy AP/ECE have attended a Hands-on Training Program on Technical Writing and Publishing with Advanced Computer Tools, 25-29 May 2019

ICE Department - Dr. T. Chinnadurai,
AP/ICE has participated in a 5 day workshop on hands on training program on technical writing and publishing with advanced computer tools at Indian Institute of information technology design and manufacturing (IIITDM), Kancheepuram, Chennai from 25 / 5/19 to 29/5/19. & A short - term course on thermoelectric material and it's applications during 13/5/19 to 17/5/19 at IISc Bangalore

ECE Department -Mr.S.Ganesh Prabhu ,AP / ECE
has Attended online conference organized by Amazon Web Services (AWS)

CSE Department -A.SUNITHA NANDHINI -AP/CSE attended a 2 day FDP on "Introduction to Big Data Analytics" conducted by ICTACT at VSB college of engineering technical campus, Coimbatore from 15.05.2019 to 16.05.2019

ECE Department -Ms. M.Jaishree AP/ECE
attending 7 days FDP on Emerging Networking technologies and tools research perspective @PSG college of Technology from 7.6.19-13.6.19

MEETINGS & DISCUSSIONS

ECE DEPARTMENT - Department faculty meeting regarding Targets & Action Plan for the AY 2019-20 was held on 06.06.2019

EEE DEPARTMENT – A department meeting was conducted on 6/6/2019 with an agenda of placement target discussions.

EEE DEPARTMENT – The placement coordinator of the department of EEE conducted a brain storming session to schedule the core training

IT DEPARTMENT – A Department meeting was convened by HoD to all Faculty members about Finalizing SIG Groups on 3.06.19 and discussed about Industry Relationship that has to be carried out by the department for the Forthcoming Academic year on 4.06.19

Civil DEPARTMENT – Dr. I.Padmanaban, HOD/Civil, organized a Department level Faculty meeting on 06.06.2019 to discuss about the targets and preparation for Academic Year 2019-20.

S & H DEPARTMENT –A Faculty meeting was convened in the Chemistry department

MECHANICAL DEPARTMENT –A Faculty meeting was convened in the department to all faculty members

MECHANICAL DEPARTMENT - Dr. S.Sundararaj along with CWC members of ISHRAE Coimbatore Chapter organized a Technical Talk on "ELECTRICALS IN HVAC INDUSTRY"

CSE Department -A meeting has been conducted for third year tutors regarding placement activities by Dr. P. Tamije Selvy Professor CSE.on Saturday, the 1st June 2019 from 6:30 pm to 9:00 pm at Hotel Mangala International, Ram Nagar, Coimbatore

School of Management - The SoM conducted its 7th BOS. Prof Mahesh- Anna Univeristy, Prof Senthil Arasu- NIT, Prof Senthil - Amrita Vishwa Vidyapeetham were the panel members.

S&H Department -A department faculty meeting was convened by Prof. R. Shanthamani, HoD, S&H, to discuss about the Action plans for the AY 2019-20.

RESEARCH

IT DEPARTMENT – A Paper was published by Ms. S. Madumidha AP/IT ,U.Vandhana and Venmuhilan II IT B with the title “ A Theoretical Implementation: Agriculture Food Supply Chain Management using Blockchain Technology” in IEEE and TEQIP III Sponsored International Conference on Microwave Integrated Circuits,

Civil DEPARTMENT –Dr. V.Sreevidya, Associate Professor, published a journal on "Durability and Microstructural studies on Fly ash blended self compacting Geo-polymer concrete" , European Journal of Environmental and Civil Engineering, 2019. (DOI: 10.1080/19648189.2019.1615991) Photonics and Wireless

PLACEMENTS

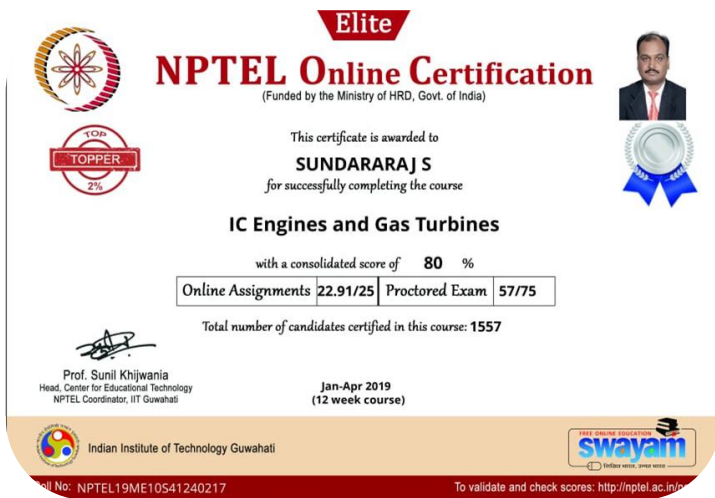

A Placement Meeting was convened to discuss about assigning mentors to the non-placed students & action plan for the forthcoming academic year.

ECE Department -Core training in the fields of Communication Systems, VLSI & Embedded Systems for Placement opted students on 07.06.201

ACCOMPLISHMENTS

Dr.S.Sundararaj – Prof/
Mechanical has successfully
completed NPTEL course on IC
Engines and Gas Turbines with
Elite + Silver Grade -top(topper)
2%

Civil Department - PG Students

Manoj Prabhakar (Top 5%), Sreesha and
Janarthanan Successfully completed NPTEL
ONLINE CERTIFICATION for the Course
Infrastructure Planning and Management.

Mechanical department

The Better Team (headed by Darshan IV A) has been selected for the final round in Smart India Hackathon (Hardware Category). Totally 98 teams across India has been shortlisted

**DID YOU
KNOW???**

Earth's rotation is slowing at a rate of approximately 17 milliseconds a century, and the length of a day for the dinosaurs was closer to 22 hours.

When awake, the **BRAIN** produces enough electricity to power a **SMALL LIGHTBULB**.

There are approximately 7,000,000,000,000,000,000,000,000 atoms in the human body.

There is a metal called Gallium that melts at 85.5°F or 29.7°C, so you can melt it by holding it in your hand.

BOOK REVIEW

Poonachi: Or the Story of a Black Goat

Perumal Murugan

Poonachi: Or the Story of a Black Goat by Perumal Murugan was originally written in Tamil and skillfully translated by N. Kalyan Raman. This is not the first book that N. Kalyan Raman has translated and the ease with which the story flows and the simple picturesque language makes it a wonderful read.

As the title suggests, it's the story of a goat named Poonachi. Just a day old, the little kid is gifted to an old man in a village and happily adopted by his wife. Too young and undernourished, the family does everything to keep it alive. Under their vigilance, it manages to survive an encounter with a wildcat, an eagle, getting lost in the jungle and recovers from an infected wound and slowly grows into a strong animal.

Though the story is undeniably about a goat, Poonachi, with all her struggles and dreams, represents the innocence of the daughters of our country. As the goat grows, its responsibilities increase as do the expectations of people and their behaviour is a direct reference to the mindset of rural India. The book has a lot of social and political commentary. The author is from a family of farmers and the insight he possesses on that life is well captured from the perspective of a goat.

Though she seems to possess some thoughts that seem too advanced to have emerged from a goat, Poonachi retains her animal charm and will wind her way into your heart.
