### *Kwikset 925 Kevo Single Cylinder Bluetooth Enabled Deadbolt; \$219*

Bluetooth has been crossing over into every aspect of our lives, making almost everything completely wireless. Now it's possible to unlock your front door without even taking out your key. As long as you have your smartphone in your pocket, a simple touch can unlock the door. You can also send an electronic key to visiting friends and family, saving you trips to the locksmith.

### WHAT HAPPENED TODAY

**1963** U.S. President John F. Kennedy holds his iconic “Ich bin ein Berliner” speech

The speech was a welcome gesture of support for the people of West Berlin. East Germany had erected the Berlin Wall just two years earlier to stop mass emigration to the West.

**1945** The United Nations Charter is signed

The United Nations is the world's most important international organization.

**1936** The world's first practical helicopter lifts off

The twin-rotor Focke-Wulf Fw 61 was first tested in Bremen, Germany.

**1925** Charlie Chaplin's film “The Gold Rush” receives its premiere

The comedy featuring Chaplin in his famous Little Tramp role is a classic of the silent film genre.

# HEALTH TIPS

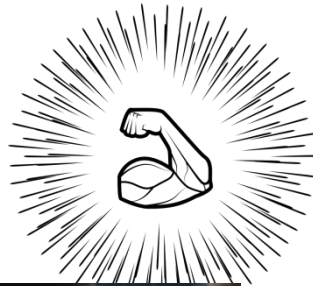

## Benefits of eating Neem Leaves Every Morning

Neem leaves have many properties. It is bitter but has many properties that can cure many of your diseases. Chewing neem leaves every morning prevents skin infections. Neem leaves are considered to be medicinal in Ayurveda. There are many infections on the skin during summer and rainy days. It is common for children to have boils. But it is better to avoid taking medicines every time. To avoid many similar diseases, you should chew neem leaves every morning.

### Benefits of Chewing Neem Leaves

Psoriasis, Mouth Cleaning, Sugar level

## MOTIVATIONAL ZONE

A room without books is like a body without a soul.

**DID YOU KNOW???**

It's been estimated that there are more stars in the Universe than there are grains of sand on earth, but there are more atoms in one grain of sand than there are stars in the Universe.

## AWARENESS CORNER

### HOW CAN WE STOP PLASTIC ENTERING THE OCEAN?

**HOW IS IT GETTING INTO THE RIVERS AND SEAS?**

2 BILLION PEOPLE WORLDWIDE Do NOT have access to solid waste collection - United Nations

These people are left to rely on dumpsites, which are often located near oceans or waterways.

When plastic is littered on land or overflows from bins or dumpsites, it can end up in rivers and streams, which can carry it into the ocean.

**WHERE DOES IT COME FROM?**

Of the plastic that comes from land:

- 80% comes from land-based sources
- ASIA: 82%
- US & EUROPE: 2%
- REST OF THE WORLD: 16%

**WHAT IS BEING DONE ABOUT IT?**

- EDUCATION PROGRAMMES**: Education programmes in schools on litter and environmental awareness with the Marine Conservation Society
- OPERATION CLEAN SWEEP®**: a global initiative to ensure raw materials do not enter the aquatic environment
- PHASING OUT MICROBEADS**: The phasing out of plastic microbeads in cosmetic products
- ANTI LITTERING**: Innovative anti littering campaigns - such as For Fish's Sake #FFGLDN
- SHARING BEST PRACTICE**: Sharing best practice on waste management with high leakage countries.

## BOOK REVIEW

### **The Wind-Up Bird Chronicle**

#### **Haruki Murakami**

Japan's most highly regarded novelist now vaults into the first ranks of international fiction writers with this heroically imaginative novel, which is at once a detective story, an account of a disintegrating marriage, and an excavation of the buried secrets of World War II.

In a Tokyo suburb a young man named Toru Okada searches for his wife's missing cat. Soon he finds himself looking for his wife as well in a netherworld that lies beneath the placid surface of Tokyo. As these searches intersect, Okada encounters a bizarre group of allies and antagonists: a psychic prostitute; a malevolent yet mediagenic politician; a cheerfully morbid sixteen-year-old-girl; and an aging war veteran who has been permanently changed by the hideous things he witnessed during Japan's forgotten campaign in Manchuria.

Gripping, prophetic, suffused with comedy and menace, *The Wind-Up Bird Chronicle* is a tour de force equal in scope to the masterpieces of Mishima and Pynchon.

Three books in one volume: *The Thieving Magpie*, *Bird as Prophet*, *The Birdcatcher*. This translation by Jay Rubin is in collaboration with the author.
