OUTREACH

Our college students had partnered in organizing 'Quiz competition' "Know Art fest-3.0" for 3000 school students in and around Coimbatore and Erode as a part of The Rotaract club of Coimbatore Unique at Kikani Vidhya Mandir School and also visited Aravanaikum Anbu Illam and conducted various completions.

Name of the students - PREMKUMAR III-ECE B, PRAVEEN P III-ECE B, KISHOREKUMAR III-ECE B, Monica P S III-IT-A, Kavin Mukhil M III-IT-A ,Akshaya S III-IT-A Mirunalini III-IT-A, Jayasuriya III- MECH , A, VIJAYRAGUL III-MECH A, BHARATHI III-MECH A, ASRITHRAJ III-MECH A, SUJITH III-MECH A, ROHINI III-CIVIL, ABIRAMI III- EEE A

Civil Department - Civil students have participated in the 'Buildathon' Event at Sri Eswar College of Engineering.

Name of the students: Deepashri, II Civil, Guru Prasad, II Civil, Jeevitha, II Civil, Padmasri, II Civil, Pooja, II Civil, Rathish, II Civil, Prem Kiran, III Civil, Divya Thulasidass, III Civil.

Our Students and Faculty members attended Orientation session of IIC 2.0 and ARIIA 2020 on the Topic Regional Mentoring Session for Proof of Concepts conducted by Dr.Meera, Program Director, Forge at Kumaraguru College of Technology was attended

Name of the faculty members: Mr.M.Navin Kumar AP/ECE and Ms.V Roopa AP/IT

Name of the students: Dharsan IV Mechahnical, Prakash IV Mechanical, Ajay Surya IV CSE, Goutham Vignesh IV CSE, Dhivya Dharshini III IT Kowshika III IT

MEETINGS & DISCUSSIONS

IT Department -A meeting was convened from Machine Learning - SIG with the agenda of implementation of identified projects.

ALUMNI CORNER

97 batch ECE Alumni visited our campus today

ACTIVITIES

SoM- Group Discussion activity was conducted of the Final Year MBA Students

CONSULTANCY

IT Department - Department of Information Technology has received one more consultancy work on "LoRa based precision agriculture" from Enthu Technologies Pvt Ltd

INTERESTING ENGINEERING

AI "dinner plate detectives."

This is another technological initiative aimed at disrupting the damage that can be caused by food-bourn pathogens. This involves deploying artificial intelligence enabled sensors – perhaps in the home, through mobile devices – which can detect dangerous bacteria such as e.coli or salmonella.

Already in development by IBM scientists, mobile bacteria sensors aim to reduce the time taken for testing for the presence of dangerous pathogens from days to seconds.

These developments aim to reduce the human cost – particularly in areas of the developing world where poor access to antibiotics and medical care mean outbreaks can be disastrous.

WHAT HAPPENED TODAY

1981 - UK Charles and Diana Marriage

1981 : Prince Charles marries Lady Diana at a royal ceremony at St. Paul's Cathedral, it is estimated 500 million television viewers in 74 countries tune in to witness the fairy tale marriage.

2013 - China Orders Debt Audit

2013 : The Chinese government has ordered a nationwide audit of all government debt.

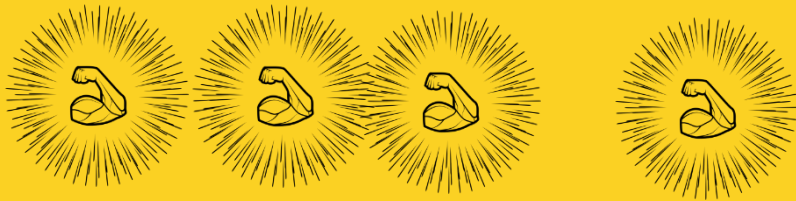

HEALTH TIPS

Symptoms and Signs of Kidney Failure, Causes & Stages

A kidney is an essential part of our body. If there's the slightest difficulty, you can do anything. Therefore, routine checkups should always be carried out. The kidney cleanses the blood and removes the harmful things from the body and keeps us healthy. So you're going to have to tell you about how to keep the kidneys healthy. Some symptoms indicate kidney failure. So be alert as soon as these symptoms appear. Learn those symptoms.

- * Repeated abdominal pain also points to this. Do not ignore it, especially if there is unbearable pain on the left or right side of the abdomen as it may be a sign of kidney failure.
- * When the kidneys are damaged, water fills the lungs, causing the lungs to fail to function properly. This causes difficulty in breathing. Show the doctor immediately.
- * If your hands and feet suddenly develop, these symptoms indicate kidney failure. So, once this happens, do a sure check-up with your doctor. Not only that, but too much swelling under the eyes is also a sign of it.
- * If your urine appears thick or blood comes while passing the urine, do not ignore it at all. Also, if the urine suddenly disappears and is not controlled, it is also a sign of trouble.
- * Sometimes inflation causes irritation while passing urine. But if it's a constant and long time, don't ignore it. Be sure to check it out with a good urologist.

AWARENESS CORNER

The Grapes of Wrath

[John Steinbeck](#)

The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers.

First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics.
