OUTREACH

EEE Department - II EEE B Students Visited the college Power Station for upgrading practical knowledge regarding Three phase transformer parts Protection & cooling methods. Faculty Mentor: Faculty Mr. R. Senthil Kumar, Assistant Professor/EEE.

CONSULTANCY

IT Department - Mr. S. Mohammed Thoufic III IT A, S.A.Yasin Javed III IT B have visited Delving Research & Development Pvt Ltd and met Dr.R.Chitra , CEO, Delving R&D regarding consultancy project on "Smart Transport System - SafeMax". The team was mentored by Dr.G.M.Tamilselvan, Dr.R.Kanmani, Mr.A.Sureshkumar.

SPORTS

Anna University Sports board Chennai Zone 10 Kabaddi Men's Tournaments was held at Dhanalakshmi Srinivasan college of Engineering on (25&26 SEP 19). 1st round was held between Hindustan institute of technology Vs Sri Krishna College of Technology and the match won by Sri Krishna College of Technology

INTERESTING ENGINEERING

Allbirds SweetFoam

The [Allbirds](#) retail startup hopes to combat the shoe industries large carbon footprint with a shoe product of their own.

The shoe company is testing various materials that can be used as an alternative for shoe production, like shoes made from parts of a sugar cane.

HEALTH TIPS

Cold milk helps to get soft and glowing skin, Know its benefits

It is said that you can get better sleep after drinking lukewarm milk. It is an effective natural remedy for cold. But we are going to tell you that only a few people know about the benefits of cold milk. Drinking cold milk gives instant relief from acidity while applying it on your face makes your skin soft. Here are some of the benefits of cold milk.

Relief from acidity

To avoid irritation in the stomach during acidity, drinking cold milk is very beneficial. Milk contains lactic acid which calms down the stomach acidity. In addition, the high amount of calcium present in it prevents acid formation and absorbs excess acid. Mix two spoons of Isabgol in cold milk and drink after eating it. This will not cause acidity.

Helpful in digestion

Cold milk contains carminative elements that help in digestion. With this help, the fat stored inside the food pipe is also cleaned. If you want to use milk to improve digestion, then add ginger or black pepper to it.

Natural

face

cleanser

The lactic acid elements present in milk exfoliate the skin. It improves blood circulation and removes excess oil from the skin.

MOTIVATIONAL ZONE

DID YOU KNOW?

HOW DO BEES MAKE HONEY?

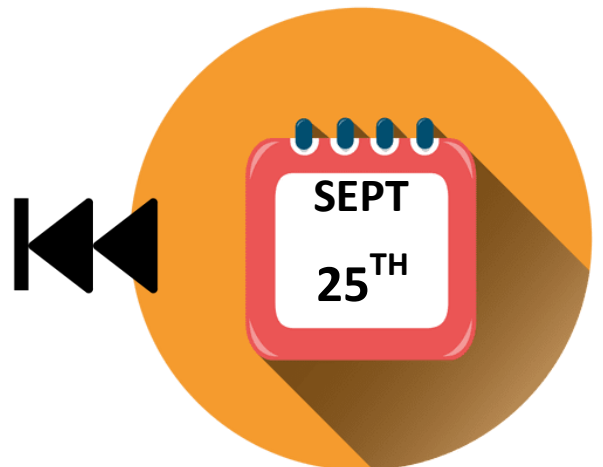

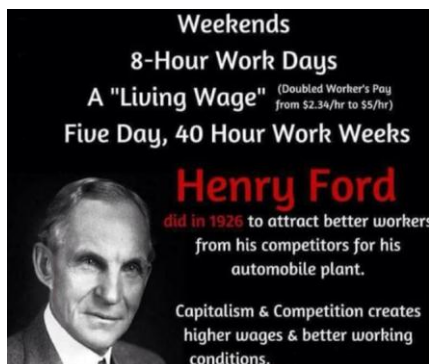

The bees collect nectar from flowers and place it into their own honey stomach (a storage sac). They vomit the nectar full of enzymes (released in their stomach) in the honeycomb cell. After the cell is filled with nectar, the bees fan the honeycomb till it evaporates, then they seal the cell. The final chemical reaction that takes place during the evaporation converts the nectar into honey.

Sula

Toni Morrison

This rich and moving novel traces the lives of two black heroines from their close-knit childhood in a small Ohio town, through their sharply divergent paths of womanhood, to their ultimate confrontation and reconciliation.

Nel Wright has chosen to stay in the place where she was born, to marry, raise a family, and become a pillar of the black community. Sula Peace has rejected the life Nel has embraced, escaping to college, and submerging herself in city life. When she returns to her roots, it is as a rebel and a wanton seductress. Eventually, both women must face the consequences of their choices. Together, they create an unforgettable portrait of what it means and costs to be a black woman in America.
