Xbox Adaptive Controller

The Xbox adaptive controller is here to make the gaming world more inclusive. The Microsoft developed Xbox Adaptive Controller is here to help those with limited hand and arm mobility play games. The product itself was inspired by previous efforts made by groups like the Cerebral Palsy Foundation

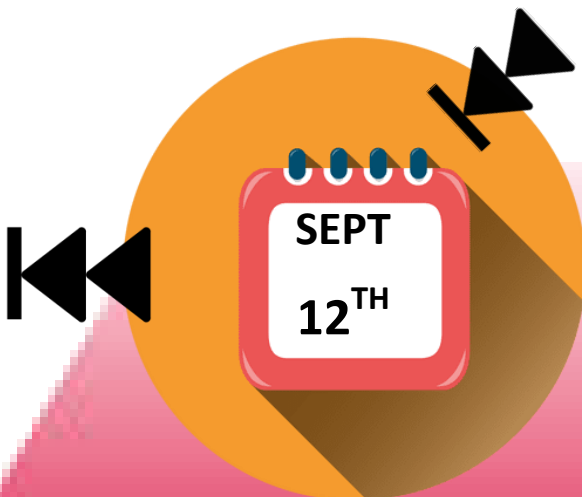

WHAT HAPPENED TODAY

1960 : Hurricane Donna one of the most destructive hurricanes seen for many years was pounding Eastern Long Island, New York with high winds and heavy rain causing widespread flooding and property damage and is expected to hit New England within a short time.

1974 : Emperor Haile Selassie who had been crowned "King of Kings of Ethiopia" in 1930 spending 5 years in exile from 1936 - 1941 is deposed by military coup.

1979: An earthquake measuring 8.0 on the Richter scale struck Indonesia and although little damage was felt on the mainland it triggered a tidal wave that destroyed homes and left 8,000 people homeless on the remote island of Yapen.

2007 : Russia tested what they claim to be the largest non-nuclear explosive in the world. The bomb is said to be four times more powerful than the USA's MOAB device

HEALTH TIPS

Snake guard helps in reducing weight, learn other benefits

There are many benefits from green vegetables, by which you can lose your weight and also stay healthy and fit. According to the weather, climate and region, different varieties of vegetables are seen around you. The snake gourd is known by many names such as trumpet, snake trumpet, snake gourd, and chichida. There are many benefits of this vegetable, which we are going to tell about.

Let us tell, it is a very nutritious vegetable. There are different types of nutrients present in the snake guard, which work to improve our body and mental health. The snake guard contains a good amount of vitamins A, B, C. Also, you get good amount of manganese, magnesium, and potassium.

This is a low-calorie food snake guard, which contains a good amount of dietary fiber and protein. It is a low-calorie food. It does not contain fat at all and the amount of water is very high. This makes it light to digest. Due to its low-calorie intake it is considered a healthy food. This can prove to be very helpful for weight loss.

The snake guard has a laxative or fiber content which helps it to overcome stomach and digestive problems. Consuming snake gourd juice helps to flush out the toxic substances sitting in the body. Apart from this, due to the good amount of fiber, it also works to remove digestive problems.

Metabolism also improves due to good digestive power. Due to which you help in weight loss. This fills your stomach and prevents binge eating. You should avoid taking extra oil, sodium, and carbohydrates.

BOOK REVIEW

Still Me

JojoMoyes

Louisa Clark arrives in New York ready to start a new life, confident that she can embrace this new adventure and keep her relationship with Ambulance Sam alive across several thousand miles. She steps into the world of the superrich, working for Leonard Gopnik and his much younger second wife, Agnes. Lou is determined to get the most out of the experience and throws herself into her new job and New York life.

As she begins to mix in New York high society, Lou meets Joshua Ryan, a man who brings with him a whisper of her past. Before long, Lou finds herself torn between Fifth Avenue where she works and the treasure-filled vintage clothing store where she actually feels at home. And when matters come to a head, she has to ask herself: Who is Louisa Clark? And how do you find the courage to follow your heart—wherever that may lead?

Funny, romantic, and poignant, Still Me follows Lou as she navigates how to stay true to herself, while pushing to live boldly in her brave new world.

AWARENESS CORNER

ZERO WASTE:
the solution to our waste challenges!

Zero Waste is an approach to the use of our resources which ensures resource efficiency, resource recovery, and protection of scarce natural resources.

Zero Waste is both a goal and a plan of action.

Goal: to ensure resource recovery and protect scarce natural resources by ending waste disposal in incinerators, dumps, and landfills.

Plan of action: waste reduction, composting, recycling and reuse, changes in consumption habits, and industrial redesign.

Many communities and cities around the world are pursuing the Zero Waste approach. It is good for the environment, the health of communities, the economy, the earth's resources, jobs, and the climate.

Be part of the solution. Say no to incineration and yes to Zero Waste!

Follow us on social media to get updates and learn about Zero Waste community actions across the world.
