Professor, Dept. of IT coordinated the event.

Faculty Participation

Mr J Dhanaselvam, Assistant Professor, Department of Instrumentation and Control Engineering is attending a Two day Research Oriented Faculty Development Training Programme on "Applied Machine Learning" (under UGC-XII Plan Scheme) on 9 - 10 March 2020 organized by the Department of Instrumentation Engineering, Madras Institute of Technology Campus, Anna University, Chennai.

Social Outreach

Ms. Sowmiya and Ms Rakshana of First Year MBA visited Govt. School at Maavuthampathy and taught Craft Works for the School Children.

Alumnus Corner

Dr M Lenin Sundar, Professor, Dept. of Civil Engineering, had an interaction with Alumni Mr Jerald and Mr Veeramani, who are working at Hanudev Info Park, Coimbatore on 08 Mar 2020.

Alumnus Corner

Mr Anfino Sherfin, an alumnus of B.E. ECE (2015-19 Batch) enrolled for Postgraduate Studies in RMIT University, Melbourne.

Testimonial:

“SKCT has been more than just a place of learning for me. It has been my home and refuge for the past four years, and everything that I experienced at SKCT has shaped me into who I am today. The tremendous amount of support I've had from faculty and fellow students has backed me in times of distress. The way the curriculum was delivered by our amazing faculty had piqued my interest in the subject matter and made me want to learn more about it. Everything that has been done for me by the people at SKCT has helped me, steered me towards reaching Royal Melbourne Institution of Technology, Melbourne. I sincerely owe every tiny success I've attained till now, and every other success I expect to see in the future, to SKCT.”
