CERTIFICATIONS

117 Students of II year Mechanical engineering attended NPTEL exam "Concepts of Thermodynamics" on 17.11.19.

ALUMNUS CORNER

We congratulate our distinguished alumni (2010-14 Batch B.E.Civil Engineering), **Mr. Jerald Sushil**, who served as the **Chief Architect** in the construction of Wavicle Data Solutions, a company ranked 352 among 5000 American companies. He is currently employed with M/s. Thousand Bricks, Coimbatore.

ACCOMPLISHMENTS

SKCT has added a feather to its cap by encouraging umpteen students to participate in the Global Student Solar Ambassadors Workshop organized on 2.10.10 to commemorate the 150th Birth Anniversary of Mahatma Gandhi. Appreciations to Mr.Lenin Pugalhanthi , Assistant Professor, EEE for his outstanding contribution, Coordination and Participation for the same.

STUDENT'S CORNER

For the Future..

Gallons of water are wasted away
As people go out their regular day.
The faucet and bathtub
leak water and soap suds
but we choose to do as we may
So, here is my question
What is water sustainability?
a quick answer then
The process of suffering for water on
may and forgetting that on december.
A well matured society that
sounds high on social media
about conversation of water.
yes, that good to hear.
But if it sounds only ~~on~~
on social media?
Save even a drop of water! Let the younger
generations live! Be a contributor.

— Gayathri T (IV-civil)

Ms. T.Gayathri of IV Year B.E.Civil Engineering penned a narrative poem on praising the significance of water.
