Celebration of Indian Constitution Day (26 November 2019)

India celebrated the 5th Constitution Day today. The Constitution Day was first celebrated four years ago in 2015. India's Constitution was adopted on 26th November 1949, and came into force on 26th January 1950, marking the beginning of a new era in the history of India. The celebration of "Constitution Day" will reinforce people's obligation towards upholding the constitutional ideals and values. It is a special day for the whole country as we will be completing 70 years of the adoption of the Constitution.

As part of this, the students of our college celebrated the Indian "Constitution Day or 'Samvidhan Divas'" today at the college premises between 11.00 am and 1.00 pm and paid sincere tribute to Dr Bhim Rao Ambedkar who played an important role in the framing of the Indian Constitution. It started with the live telecast of the celebration of the Indian Constitution Day at the LOK SABHA that featured the speech of our Hon'ble Prime Minister Shri. Narendra Modi and this was followed by an oath on preamble taken by around 200 students belonging to the School of Management. Subsequently, a debate on the topic "IS DEMOCRACY IN INDIA, SUCCESS OR FAILURE?" was conducted. It ended with a mock session of Parliament conducted by the MAB students. The event triggered the sense of patriotism among the students on Indian Constitution.
