**ORIENTATION PROGRAMME**

of First Year B.E. / B.Tech. Students  
on Wednesday, 11<sup>th</sup> November 2020 at 10.30 am

**Mr. Sujith Kumar**

Founder, Maatram Foundation,  
AVP & HR Business Leader,  
Infosys, Chennai

has kindly consented to be the Chief Guest

**Smt. S. Malarvizhi**

Chairperson and Managing Trustee  
Sri Krishna Institutions  
will preside

Sri Krishna College of Technology organised a **Virtual Orientation Programme** for the Students of First B.E. / B.Tech. on 11 November 2020..

**S&H | ORIENTATION PROGRAMME ON 11.11.2020**

**Smt. S. Malarvizhi, Chairperson and Managing Trustee, Sri Krishna Institutions, Coimbatore,** welcomed all the dignitaries, invited chief guest, parents, new entrants of SKCT and delivered the Presidential Address. Speaking on the occasion, Madam extended a warm welcome to the fresh batch of students and committed to provide excellent educational opportunities and a world-class experience for the holistic development of Students.

## S&amp;H|ORIENTATION PROGRAMME ON 11.11.2020

The Chief Guest **Mr Sujith Kumar, Founder, Maatram Foundation, AVP & HR Business Leader, Infosys, Chennai**, addressed the freshers and motivated them to excel in their respective fields by building an atmosphere that minimises anxiety, promotes positive attitude and stimulates an excitement for learning during this pandemic.

**S&H|ORIENTATION PROGRAMME ON 11.11.2020**

**Dr Srinivasan Alavandar, Principal, SKCT,** addressed the gathering and detailed that the aim of the programme was to support new students as they embarked on their expedition of honing their competence in SKCT.

**S&H|ORIENTATION PROGRAMME ON 11.11.2020**

**Dr B Sathish Kumar, Professor and Head, Dept. of Science and Humanities,** delivered the vote of thanks and briefed upon the multi-dimensional aspects of each programme in SKCT.

## S&H|RECAP OF S&H DEPARTMENT ACCOMPLISHMENT IN THE ACADEMIC YEAR 2019-2020

*Education is the dominant influence on our lives and Learning is a lifelong quest. Having 809 students enrolled for various B.E./B. Tech courses, the academic year 2019 -2020 started. With a primary goal of preparing students for their transition from school life to college life, a normal individual to productive professional and responsible citizens, so many activities were planned and conducted. Department of Science and Humanities provided an impressive array of student success and student support services including academic advising, personal counseling, motivational talks, invited lectures, special lectures, awareness programs, technical events, high-level competitions, and many more. Other initiatives include providing the students with an opportunity to organize technical / non-technical events both in and out of the classroom. It happened to be the best platforms that the department paved to nurture and extraordinarily exhibit their talents and also to promote, applaud behaviors that support the dignity of individuals and groups as well.*

### ***Following are the milestone achievements of the Science and Humanities department for the academic year 2019-2020***

- \* 76 activities conducted (International / national Technical events, Motivational talks, National Day celebrations, In-house competitions, Awareness programs, Club activities, student-led activities)*
- \* 43 eminent and distinguished guests delivered technical and non-technical lectures*
- \*n1432 participations in International / National events both inside and outside the college*
- \* 12 I year students in startups*
- \* 1 paper publication of students under the guidance of faculty*
- \* Participations of I year students in high-level competitions such as Smart India Hackathon, Ideathon, Codethon etc.,*
- \* A project worth Rs. 2,25000/- approved for the department along with student team.*

# STUDENTS' TESTIMONIAL

@skctdigest

@skctofficial

digestfeedback@skct.edu.in

## PREVIOUS FIRST YEAR STUDENT'S TESTIMONIAL

**Sujan Karthi N  
(19TUIT140)  
II-IT-B**

*"I was pleasantly surprised by the beautiful campus and the quality of facilities that SKCT provides.*

*Eventually the excellent pedagogy of the teachers and the amazing help I received to enhance my skill and improve my knowledge convinced me of the Excellency of SKCT during my first year. All of my faculty members and their teaching was awesome . I had participated in most of the events with the guidance of my teachers. I enjoyed my 1st year life very much . I hope this will continue for the upcoming years."*

## PREVIOUS FIRST YEAR STUDENT'S TESTIMONIAL

**PRASANNA .B  
(19EC145)  
II-ECE-B**

*“First year in college will always find a warm place in every person's memory lane. Still I can remember how it all started. I noticed some valuable things happening around which dragged all of us. Life here at college is something beyond books and papers. One thing you can't find anywhere, that is Education. Many consider Education as a pressure. But in SKCT they turn it into a pleasure. The Skills we all developed there, from those little Snap talks to hosting Annual events bravely. Somehow the teachers inserted the spirit of discipline with sauce of dedication. We'll take lots of positives ahead in this journey. Gratitude for them never fades.”*

## PREVIOUS FIRST YEAR STUDENT'S TESTIMONIAL

**AISHWARYA.M**  
**(19EE003)**  
**II-EEE-A**

*“The speech from the outside guests from different zone made us to explore and get knowledge about different fields. The special care of the teachers made us to get more Marks in academics.*

*The snap talk that we gave every hour of the class helped us to get rid of stage fear.*

*The opportunity given for us to conduct programs and activity more and more helped us to mingle with other people to explore different things.*

*Other than from academics we were doing other additional course like NPTEL which helped us to understand subjects better.”*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**DEEPANRAJ MOHAN  
(19TUEE021)  
II EEE-B**

*“My first year journey was really awesome. I felt very comfort inside campus . All my experiences throughout first year might be the stepping stone of my bright future and career too . Every day in college I was learning something other than studies. That must be the part of every student now a days . I will always praise my staff members and tutors , they have always been for every necessity I wish to have. There was a huge number of opportunities to lift ourselves up with the help of them. Without their knowledge this would have been impossible. I will always be thankful to them.”*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**Keerthik Vishal**  
**II Mech B**

*“My first year in college was one of the best memorable moments in my life. Mostly, we the students may hesitate to come forward to do something in a new platform. But my first year wasn't actually like the first, I really felt like it is very familiar to me. HoD sir gave many chances to prove ourselves. Our class tutor and advisor helped us to overcome our hesitations. They helped us not only to develop our talent but also to improve our studies and our character. I feel really blessed to have such a wonderful first year in my college life and I feel very thankful to my Teachers. I wish to convey my gratitude to my teachers and I will always take a bow to them.”*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**Sri Pragash**  
**(19TUME231)**  
**II MECH-C**

*“As a fresher to Sri Krishna College of Technology, I received a warm welcome with a lush green campus at the foot hills of Western Ghats. Apart from the astonishing Campus Infrastructure, studying in SKCT gave me an excellent learning experience and an assurance for lifelong Career Excellence.*

*From the very supporting Faculty members with excellent Teaching Strategies and outcome based education system, all helped me to enhance my skills to the optimum and is still inspiring me to never give up. The exceptional programmes and teaching methodologies backed by practical skills and industrial application based interface have given me the confidence to pursue my career ahead.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*Various Seminars, Webinars, Discussion sessions organised by the management visualised the care taken towards every student's excellence in their respective Career. Also the step taken towards individual communicative skill through Snap Talk is significant. All these gave a wide view of the technical world around, its scope, demands and the skills to be developed to attain an esteemed position in the world around.*

*The platform to support, guide and mentor student projects, paper presentations, innovative ideas etc. in SKCT is incredible. The technical support given to Start-ups and Internships right from the first year is really significant. This makes every aspiring engineer step forward with excellent skill set and experience.*

*The Opportunities given to us to organise events like Aashraya and Avanta helped us enhance our leadership skills and gave us a platform to display our fullest potential.*

*At last, I hope that these four years in SKCT will be remarkable in my life and I hope that I'll be packing bags with Excellent Skills, Opportunities, wonderful memories and a Billion Dreams ahead."*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**AMITHA VARSHINI**  
**(19TUCS008)**  
**II CSE-A**

*“As a second year student my past year journey with SKCT has been great and fun. Apart from academics, SKCT is being a great support for students focusing on their extra and co-curricular activities, as well as providing opportunities in every field such as learning foreign languages, paper presentations, workshops, etc., so that each student gets an opportunity to explore his/her capability. We are blessed with knowledgeable and supportive faculty members who are encouraging and motivating. This gives us fabulous learning environment. The college provides various platform to showcase our talents and ideas, also helped us to overcome our stage fears by giving snap talk in the class hours daily. The college actually helps us to maintain a perfect balance between the studies and our hobbies.”*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**ARU MAAKADALAMUDHAN.T**  
**II IT-A**

*"Thank you very much for all of your support and encouragement throughout my 1st year of journey in SKCT.*

*You all have created such a beautiful Launchpad for us to grow and develop in all the best ways possible. Every day in the college during my 1st year was like a dream. And I cherish all those beautiful moments now. Your motivation made us not only feel strong but also help us overcome any challenge. And your advices kept us in the right track towards every step in our success till today and I hope it will continue to future as well. Finally I thank everyone who helped me learn something new in my college every day. And thanks once again to all our professors who have been encouraging us throughout the year!"*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**SANDHIYA.M**  
**(19TUEE130)**  
**II EEE-B**

*"It was indeed a splendid experience with all my friends, seniors, faculty members and the entire SKCT family. More than friends we were family. My life at SKCT taught me one fundamental thing : \*Life is unpredictable\* it may or may not be good! Managing effectively is the best way to lead a smooth and happy life. I have got number of opportunities to showcase my talents not only in the field of academics but also in the field of sports. I've got opportunities to participate in various national level competitions like paper presentations, hackathons and so on. I also participated in volley ball and throw ball tournaments which was really a beautiful experience. It doesn't end without saying about the beautiful atmosphere of SKCT. It is a place where we can find and have peace of mind and can enjoy each and every moment."*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**VIGANESH.S**  
**II ECE-C**

*"Thousand miles of journey begins with a single step"*

*The first time when I stepped into the campus at Aug 8, I loved the warm welcome from my seniors and the faculty members at the inauguration. The environment and the natural sceneries provided by the institution made me realize that I was moving towards a glorious future in the right path. Initially I had a fear of speaking in front of a crowd. Due to the initiatives of my teachers like snap talk and seminars, now I am able to address anyone without any fear.*

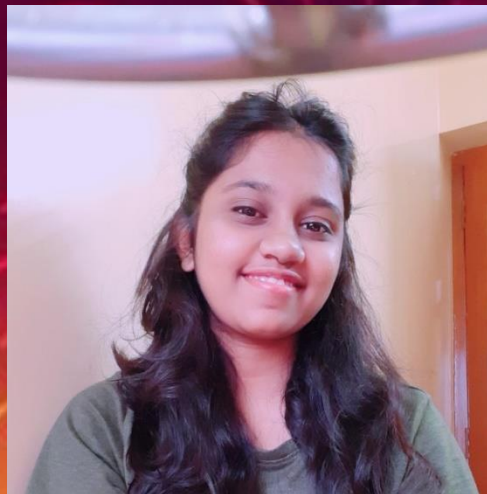

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*The tutorial periods offered by the institution, helped me a lot to overcome my Math fears. The library with a lakhs of resource books, stimulated my interests towards exploration.*

*Quality circles formed by our HoD, improved our leadership skills, made us create new materials and innovative ideas to make learning even more enhanced.*

*The fully equipped laboratory, made us explore things beyond books. Student led events, gave us a variety of opportunities to host, participate and platforms for exhibiting our talents. Personalized attention and care given by my tutors helped me in overall development. I thank all my first year teachers for giving the most perishable moments. Looking forward to make even more memorable moments in the upcoming years.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**SHANMATHI RA**  
**(19tuee149)**  
**II-EEE - B**

*"My first year at SKCT!*

*When it comes to sharing the memorable days of the first year at SKCT, then I should start with the first day there. The first impression is always the best as it says the first day of my new phase of life is seriously a heart-warming one. The Faculty Members, HoDs and every representative in the orientation were so gracious. Probably, Freshers would be in a state of dilution. We don't have any literal idea about college life. Because we have been in a secured cage for 12 years and seek dependent on school teachers. But when it comes to college, it is entirely different. When I say wholly mean the new different ambiance, new faces, new teachers, even new friends. But SKCT and its people made us feel like a native person.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*The HoD, the faculty members, class advisors wanted us to set a mission for our lives and made outstanding guidance towards its vision. When I became a part of SKCT, they taught things that have deep through meaning that the year of studying is just the numbers, it doesn't mean as a boundary to stop your exploration. You don't want to be a senior to participate in competitions. The only point, is "Go and Do action" either failure or success it doesn't matter. They believe that our first move is our greatest success. That motivated us and kicked off our innovations towards discoveries. They haven't treated us as an engineering student or fresher, made us feel like an engineer. Doesn't this seem awesome? That made us think and behave like it. We participated in plenty of Paper presentations, worked in hands-on workshops, attended seminars, and 'n' number of motivational talks. People in SKCT need students not only well-wised in the academic curriculum, but they also wanted us to be part of every activity like extracurricular and co-curricular.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*Well, talking about extra and co-curricular activity, for students, possibly, the limitations would be the lack of confidence and a handful of hesitations to rise. But faculty members and advisors patted our shoulders for every inch of our move and felt proud as theirs. Another top quality is our HoD. He put in tons and tons of hard work to break our hesitation and brought Successful people to interact with us. Yes, we had attended around more than 80 in-person speech towards motivation and that's a sweet part of all. As well as, Our HoD takes a class tour to all sections of all departments and spent at least 15 to 20 mins with us and made the day lit. Probably, his motivational talk was the energy drink for the whole new week. He made us comfortable to speak up and he gave that willpower to overcome our hesitations and made us crack the icebreaking situations and I think it is very important for our career too.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*Coming to one of the other favourites of SKCT is faculty members. They are actual companions and we built a strong kinship among all. They helped and guided us to publish our first research paper. That is the greatest achievement of all. They treated us relevantly and showed equalism. Honestly, the best pillars of my college life and career are my Faculty members and All the advisors. Because I have no idea What I would be if they haven't allowed me to get out and explore things. They guided us in every move and spent hours and hours on our success path. And there is a lot and more to say about SKCT. Last but not the least its ambiance. "A cool place where the cool brains develop" Surroundings and climate of SKCT is the best place to learn. No words can describe its excellence and ambiance beauty. I was beloved to show my gratitude towards every person in the science and humanities department at SKCT who made my first-year fruitful."*

**PREVIOUS YEAR FIRST YEAR STUDENT'S  
TESTIMONIAL****AKILA UMESH  
19TUCS007  
II- CSE-A**

*I am Akila Umesh from II CSE A. My first year at college was truly a great learning experience. I have met so many new and wonderful faculties who have helped me to learn and grow. Apart from academics, they encouraged me to participate in extra and co-curricular activities. We were given multiple opportunities to conduct events to enhance our leadership skills. Cultural activities which were conducted, allowed us to showcase our hidden talents. We were given the opportunity to give a snap talk daily during class hours so that we could tackle our stage fear.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*We were allowed to join in any club that we found interesting and that was a great way to meet people. The faculties assisted us in making projects for various technical competitions. To make things even better, feedbacks were collected from our tutors every week. The introduction of foreign language classes have helped us to improve our performance in other academic areas. I feel so accomplished to have such a great experience in my first year of college itself. Looking forward to learn much more in the upcoming years too.*

*I am thankful, because during my first year, my facilitators truly spent their maximum time with us. The Principal shaped the conditions of students to learn and succeed. On top of all the above things I had mentioned, there is much more for me to discover and I hope my journey here satisfies all my expectations.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*There were a number of activities conducted weekly in the form of competitions, events and programs. I also tried to be extraordinary in every case to stand out and shine my way out. This was designed to showcase my involvement and leadership qualities. So grab every opportunity. During every working Saturday, we had some sort of special events based on special days like women's day, food day etc. We were much encouraged to participate in many hackathons by our teachers who helped us through the process. And I was also introduced into some of the famous online courses in the form of nptel. Apart from these, we regularly conducted snap talks where I was given 5 to 10 mins to talk about a topic of my own choice. Believe me, this helped me to overcome my stage fear. We also had library sessions where we had a lot of interesting books.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*We had many clubs for photographs, dance, coding, projects where i got a chance to collaborate with seniors who also guided me. For sports, there is equal importance, I also found that students moved out for competitions as well. Apart from all these, we had fests, cultural, avanta, pongal celebrations, etc., where we showed our own potential. Our college also encouraged me to participate in other college symposiums where i learned many things. Also, i had the opportunity to do projects with other department friends. Finally i should really say about my teachers, I thank them for being such an amazing teachers and for all their great lessons. I felt so fortunate to have been placed in their classes. The HOD inspired me daily.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

**KALAMALIE  
II CSE C**

***Happy to share my wonderful journey with SKCT family!!!***

*My first year at college has gone faster than any other year of my life. My first day at college was mixed with feelings of happiness, confusion, excitement and fear. But, all my seniors and faculties gave me confidence.*

## PREVIOUS YEAR FIRST YEAR STUDENT'S TESTIMONIAL

*My tutors and faculties of first year are the best!!!*

*Not only at the beginning, but throughout the entire year, they encouraged and motivated me. They were the pillars of my first year life, they can never be replaced at any cost. They guided and showed me right path for career. They supported and helped me in building my personality, attitude and character. Faculties at my first year encouraged me to conduct many events and they helped me a lot in exhibiting my talent. In this precious moment, I would like to thank all the faculties and tutors, who showed me a lot of care and guidance.*

My Feedback:  
FIRSTIMPRESSION :

The speech was encouraging and inspirational. Each point was well defined and clearly explained about both the college and learning culture. The session was very engaging with real life example on learning and studying and they clearly explained how the real time college experience will be, which makes us eager to enter into college.

Thank you. 12:17

**Feedback on orientation program:**

First of all thank you for a great introduction all the member faculties of the college for the us,the freshers. This orientation had not only made is aware of what Sri Krishna College of Tech. is but also the motivational and beautiful aspect of the college and members too.

The program it self provided the sensation for us to get back college and create a great bond and relationship with everyone in the SKCT campus.

Thank you all once again. This made our parents also to understand about the college more.

Good afternoon ma'am  
This is Harismita. K (CSE)  
Feedback on the orientation program :  
I thank the management for conducting the e-orientation program. The session was too good and the address given by the Chairperson ,the Chief Guest , the Principal and the HoD was really motivational . As said by them , I would like to dream higher and make myself an "individual" .I would like to bring out my talents and develop my skills . I am indeed blessed to be admitted in SKCT and feeling proud to be a SKCTian. 12:38

Er G Ezhilarasan, Alumnus (Batch 2018-2020), Dept. of Civil Engineering, has started his own Construction Firm named “**Heaven Fort**”.

# CIVIL | STUDENTS' PARTICIPATION IN SOCIAL ENTREPRENEURSHIP SWACHHTA AND RAGGING ENGAGEMENT CELL

**Sri Krishna College of Technology**  
(An Autonomous Institution)  
Affiliated to Anna University, Chennai | Accredited by NAAC with 'A' Grade  
KOVAIPOUDUR, COIMBATORE- 641042

Cordially Invites you for the Inauguration of  
**Social Entrepreneurship Swachhta and Rural Engagement Cell (SES REC)**

**Chief Guest**  
Shri.B.S.C Naveen Kumar  
REDC Coordinator, TN

**Presided by**  
Dr.Srinivasan Alavandar  
Principal, SKCT

**Agenda**  
Welcome Address  
Inaugural Remarks  
Road map of SES REC  
Vote of thanks

09.11.2020 4.00 PM

<http://meet.google.com/vsu-gjvt-hzr>

MGNCRE | महात्मा गांधी राष्ट्रीय ग्रामीण शिक्षा परिषद  
Mahatma Gandhi National Council of Rural Education  
Department of Higher Education  
Ministry of Human Resource Development, Government of India

IN CALL

- Ms. G. Selina Ruby Asst Prof CIVIL (You)
- 17TUCV023 KIRUTHICKRA...
- 17TUCV057 VENKKAT RAK...
- 17TUEE031 DHINESHKANN...
- 18TUCS006 ABINANDHINI...
- 18TUCS014 ANURAGINI K
- 18TUCS026 BHUVANESW...
- 18TUCS045 HASEENA BE...
- 18TUCS058 KAVYA R.
- 18TUCS140 PAVITHRA M.
- 18TUCV021 KEERTHI S.

Students of Second, Third and Final B.E. from the Dept. of Civil Engineering attended the Inauguration of “**Social Entrepreneurship Swachhta and Ragging Engagement Cell**” on 09 November 2020.

# ECE | PAPER PUBLICATION | BIG DATA ANALYTIC OF CONTEXTS AND CASCADING TOURISM FOR SMART CITY

The screenshot shows the ScienceDirect website interface. At the top, there is a navigation bar with 'Journals & Books', a search icon, and buttons for 'Register' and 'Sign in'. Below this is a banner for 'Access through your institution' with a subtext 'to view subscribed content from home'. The main content area features the article title 'Big data analytic of contexts and cascading tourism for smart city' from 'materialstoday: PROCEEDINGS', available online on 8 November 2020. The authors listed are M. Balasaraswathi<sup>a</sup>, K. Srinivasan<sup>b</sup>, L. Udayakumar<sup>c</sup>, S. Sivasakthiselvan<sup>a</sup>, and M.G. Sumithra<sup>d</sup>. The article is marked as 'In Press, Corrected Proof'. A sidebar on the left contains a table of contents with sections like Introduction, Work background, Methodology, Case analysis, Discussion, Influences, and Conclusion. On the right, there are sections for 'Recommended articles' (showing 'No articles found.') and 'Citing articles (0)'. A 'Feedback' button is located at the bottom right of the article page.

Dr K Srinivasan, Assoc. Professor, Dept. of ECE, published a paper on **“Big Data Analytic of Contexts and Cascading Tourism for Smart City”** in Materials Today: Proceedings, Elsevier on 08 November 2020.

## ECE | ONLINE ATAL FDP ON ROAD- RESPONSE, EFFECTIVENESS, ORGANISING SELF, ATTITUDINAL SHIFT, DECISION MAKING

Ms Yamini Shanmugam, Asst. Professor, Dept. of ECE, attended the ATAL FDP on "ROAD- Response, Effectiveness, Organising Self, Attitudinal Shift, Decision Making" organised by Maulana Azad National Institute of Technology, Bhopal during 02-06 November 2020.

**IT | ATAL SPONSORED FDP ON BIO-INSPIRED COMPUTING IN DEEP LEARNING ARCHITECTURE**

Ms Sindhumeena, Asst. Professor, Dept. of IT, attended the AICTE Training and Learning (ATAL) Sponsored Five-day Faculty Development Program on **“Bio-Inspired Computing in Deep Learning Architecture”** organised by SRM Institute of Technology, Chennai during 02-06 November

2020

**IT | AICTE SPONSORED FDP ON INTELLIGENT EDGE COMPUTING ON DIVERSE APPLICATIONS**

Ms S Madumidha, Asst. Professor, Dept. of IT, attended the AICTE Sponsored STTP on **“Intelligent Edge Computing on Diverse Applications”** organised by M S Ramaiah Institute of Technology, Bangalore during 02-07 November 2020.

## ECE | AICTE SPONSORED STTP ON INTERNET OF THINGS AND ARTIFICIAL INTELLIGENCE IN SMART COMMUNICATION AND NETWORKING

### QIS COLLEGE OF ENGINEERING AND TECHNOLOGY (AUTONOMOUS)

Approved by AICTE | Permanently Affiliated to JNTU-Kakinada | UGC-Recognized  
Accredited by NBA | Accredited by NAAC | ISO 9001:2015 Certified  
Vengamukkapalem(V), Ongole, Prakasam Dist., Andhra Pradesh-523272

Department of Electronics and Communication Engineering

### Certificate of Participation

**S. Thenmozhi**

Sri Krishna College of Technology

has participated in AICTE sponsored online Short Term Training Programme (STTP) on *Internet of Things and Artificial Intelligence in Smart Communication and Networking (Phase-1)* from *02/11/2020 to 07/11/2020*, organized by Department of Electronics and Communication Engineering in QIS College of Engineering and Technology.

**Dr. J. N. Swaminathan**  
Program Co-ordinator

**Dr. D. Venkata Rao**  
Principal

Ms S Thenmozhi, Asst. Professor, Dept. of ECE, attended STTP on “Internet of Things and Artificial Intelligence in Smart Communication and Networking” organised by QIS College of Engineering and Technology, Andhra Pradesh during 02-07 November 2020.

# IT | FDP ON COMPUTATIONAL INTELLIGENCE FOR CYBER SECURITY

## AISSMS

**INSTITUTE OF INFORMATION TECHNOLOGY**  
ADDING VALUE TO ENGINEERING

Accredited by NAAC with 'A' Grade

A National Level One Week Faculty Development Program on  
**“Computational Intelligence for Cyber Security”**

26<sup>th</sup> Oct – 2<sup>nd</sup> Nov 2020

Organized by  
**Department of E&TC Engineering**  
in association with  
**Logixcode Education and IETE Pune Section**

**Certificate of Participation**

*This is to certify that Dr./Prof./Mr./Ms. **Roopa V** from Sri Krishna College of Technology has attended A National Level One Week Faculty Development Program on “Computational Intelligence for Cyber Security” organized by E&TC Engineering of AISSMS IOIT, Pune from 26<sup>th</sup> Oct to 2<sup>nd</sup> Nov 2020.*

					
Dr. R. D. Kharadkar Chairman IETE Pune section	Dr. V. V. Shete Secretary IETE Pune section	Dr. P. B. Mane Principal AISSMS IOIT, Pune	Mr. Ravi Randle Director Logixcode Education	Dr. M. P. Sardey Head	Dr. S. B. Dhonde Coordinator

Made for free with Certify'em

Ms V Roopa, Asst. Professor, Dept. of IT, attended a National level One-week Faculty Development Program on **“Computational Intelligence for Cyber Security”** organised by AISSMS Institute of Information Technology, Pune during 26 October-02 November 2020.

# CIVIL | STTP ON LATEST INNOVATIONS AND TECHNOLOGICAL ADVANCEMENTS IN CONCRETE TECHNOLOGY

Anand Nagar, Krishnankoil - 626126, Srivilliputtur (Via), Virudhunagar (Dt), Tamil Nadu | info@kalasalingam.ac.in | www.kalasalingam.ac.in

**KALASALINGAM**  
**ACADEMY OF RESEARCH AND EDUCATION**  
**(DEEMED TO BE UNIVERSITY)**

Under sec. 3 of UGC Act 1956. Accredited by NAAC with "A" Grade

**SCHOOL OF ENVIRONMENTAL AND CONSTRUCTION TECHNOLOGY**

**DEPARTMENT OF CIVIL ENGINEERING**

This certificate is presented to Dr. SREEVIDYA.V, ASSOCIATE PROFESSOR, SRI KRISHNA COLLEGE OF TECHNOLOGY has participated in Online One Week International STTP (Short Term Training Program) on "*Latest Innovations and Technological Advancements in Concrete Technology*" organised by Department of Civil Engineering, SECT, Kalasalingam Academy of Research and Education, Krishnankoil from 2<sup>nd</sup> November to 7<sup>th</sup> November 2020.

*Dr. M. Muthukannan*

**Dr.M.Muthukannan**

**Coordinator**

*Dr. C. Ramesh Babu*

**Dr.C.Ramesh Babu**

**Dean SECT**

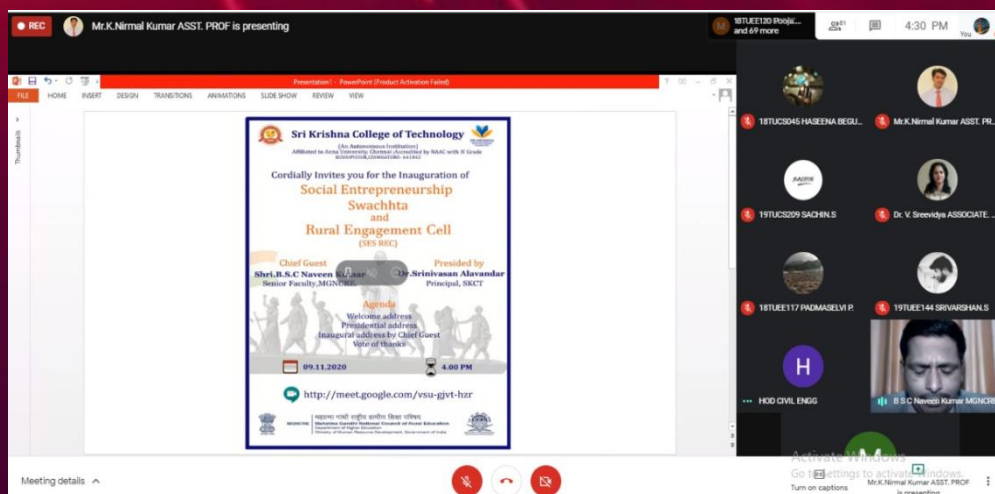

Dr V Sreevidya, Assoc. Professor, Dept. of Civil Engineering, attended an One-week International STTP on "**Latest Innovations and Technological Advancements in Concrete Technology**" organised by Kalasalingam Academy of Research and Education, Krishnankoil during 02-07 November 2020.

## MECH | FACULTY PARTICIPATION | INTERNATIONAL CONFERENCE ON AI, ROBOTICS AND AUTOMATION

Mr N Aravindkumar, Asst. Professor, Dept. of Mechanical Engineering, attended an International Conference on **“AL, Robotics and Automation”** organised by ICT Academy during 14-18 October 2020.

## CIVIL | FACULTY PARTICIPATION | SOCIAL ENTREPRENEURSHIP SWACHHTA AND RAGGING ENGAGEMENT CELL

The Members of Faculty from the Dept. of Civil Engineering attended the Inauguration of **“Social Entrepreneurship Swachhta and Ragging Engagement Cell”** on 09 November 2020.

digestfeedback@skct.edu.in

# CSE | AICTE SPONSORED FDP ON DEEP LEARNING IN IMAGE AND COMPUTER VISION APPLICATIONS

The Dept. of CSE organised AICTE sponsored Two-week Faculty Development Programme on “Deep Learning in Image and Computer Vision Applications” facilitated by Dr R Kalpana, Associate Dean, Dept. of CSE, Pondicherry Engineering College, Pondicherry on 06 November 2020.

# CSE | AICTE SPONSORED FDP ON DEEP LEARNING IN IMAGE AND COMPUTER VISION APPLICATIONS

The collage consists of nine screenshots from a presentation:

- Dropout:** A diagram of a neural network with some nodes highlighted in yellow. Text: "Randomly select subset of the units, clamp their output to zero, regardless of input; Effectively remove those units from model. A different subset of units is randomly selected every time."
- Linear vs. Squiggle Line:** Two graphs. The first shows a straight red line fitting a set of blue data points. The second shows a red squiggle line fitting the same data points. Text: "We can compare how well the Straight Line and the Squiggle Line fit the training set by calculating their sums of squares."
- Powerful?:** A comparison between a T-Rex and a beetle. Text: "Million years 230 VS 320".
- Model Fitting:** A 3x3 grid of plots. Rows: Regression, Classification, Deep learning. Columns: Under-fitting, Optimal-fitting, Over-fitting.
- Cross validation:** A slide titled "old Cross validation" showing a process flow from "All Data" to "Training data" and "Test data", then through "Folds 1-5" for "Finding Parameters" and "Final evaluation".
- 1. Preliminary understanding:** A slide with an orange background listing: "Model Fitting (T)", "Gold Standard Practice - A case study", "Performance of model (T)", and "Model Generalization (V)".
- Adding noise: Target:** A slide showing a target distribution and a noisy distribution. Text: "adding noise: Target".

The Dept. of CSE organised AICTE sponsored Two-week Faculty Development Programme on “Deep Learning in Image and Computer Vision Applications” facilitated by Dr B Rajesh Kanna, Professor, School of Computer Science and Engineering, VIT, Chennai on 07 November 2020.

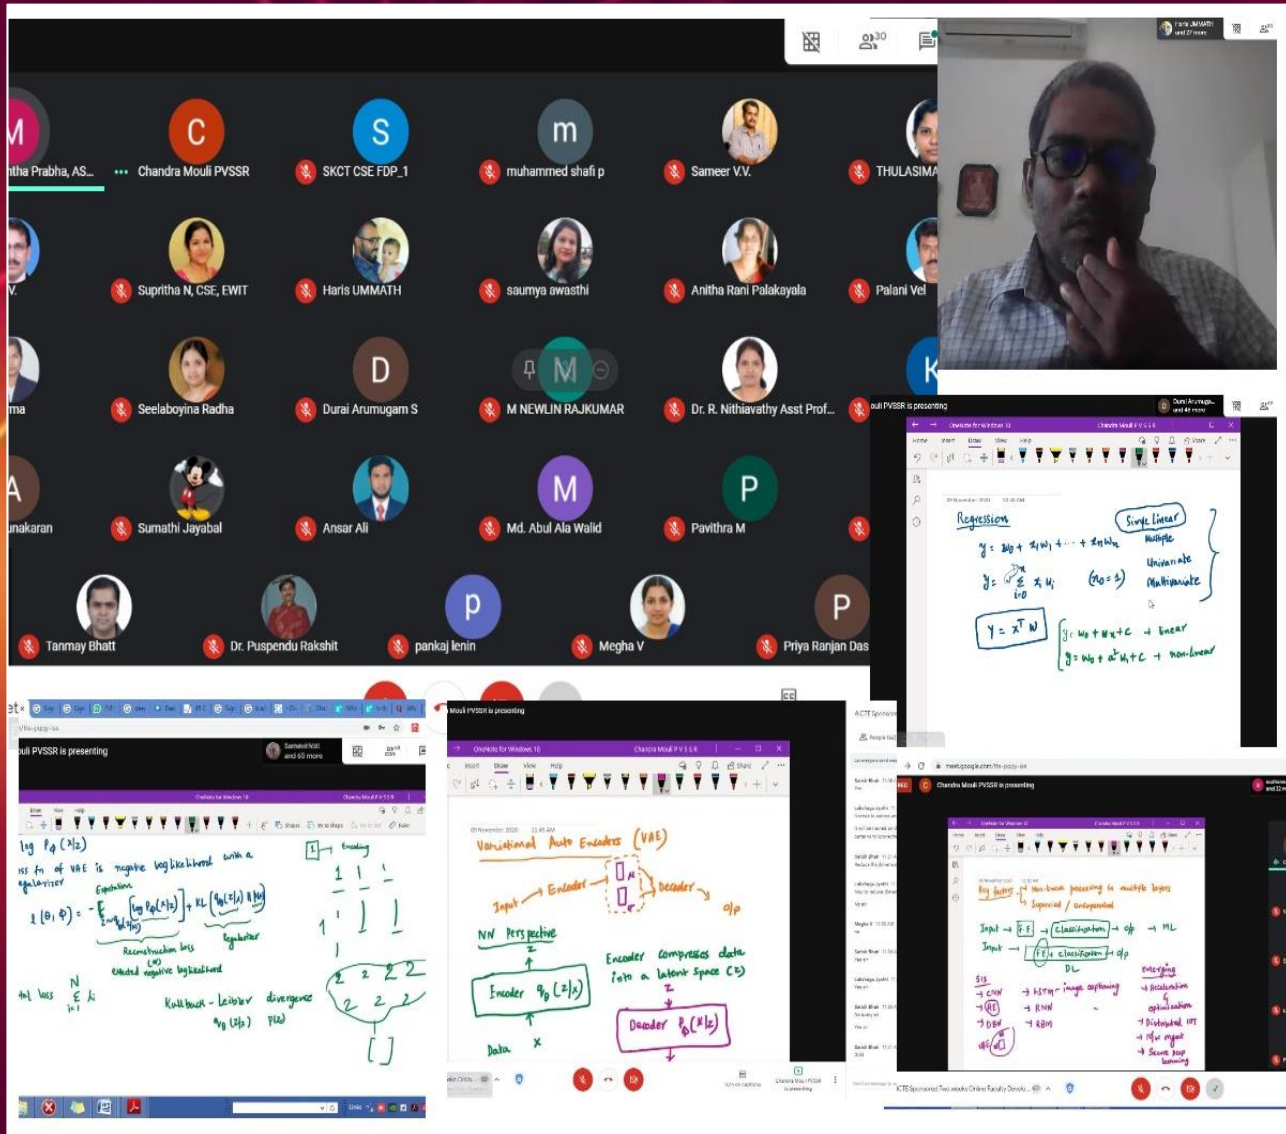

# CSE | AICTE SPONSORED FDP ON DEEP LEARNING IN IMAGE AND COMPUTER VISION APPLICATIONS

The collage consists of several presentation slides:

- U-net:** A diagram showing the U-shaped architecture for image segmentation, including skip connections and a decoder path.
- R-CNN family:** A flowchart showing the evolution from R-CNN to Mask R-CNN, including Fast R-CNN and Faster R-CNN.
- Relationship between ML, DL and CV:** A Venn diagram showing the overlap between Machine Learning, Deep Learning, Computer Vision, and Human Vision.
- Mask R-CNN:** A diagram showing the architecture for instance segmentation, including a region proposal network and a mask head.
- Faster R-CNN:** A diagram showing the architecture for faster object detection, including a region proposal network and a shared feature map.
- Network for Object Detection:** A diagram showing a CNN architecture with dense layers and a classification cross entropy loss.
- Fast R-CNN:** A diagram showing the architecture for fast object detection, including a region proposal network and a shared feature map.
- Deep convolutional Network:** A diagram showing the architecture of a deep convolutional network, divided into Module A (Convolutional Network) and Module B (Deconvolutional Network).
- Instance Segmentation:** A diagram showing the process of instance segmentation, including input image, semantic segmentation, and instance segmentation output.

The Dept. of CSE organised AICTE sponsored Two-week Faculty Development Programme on “**Deep Learning in Image and Computer Vision Applications**” facilitated by Dr S Jeevakala, Research Scientist, HTICIIT – Madras on 07 November 2020.

# CSE | AICTE SPONSORED FDP ON DEEP LEARNING IN IMAGE AND COMPUTER VISION APPLICATIONS

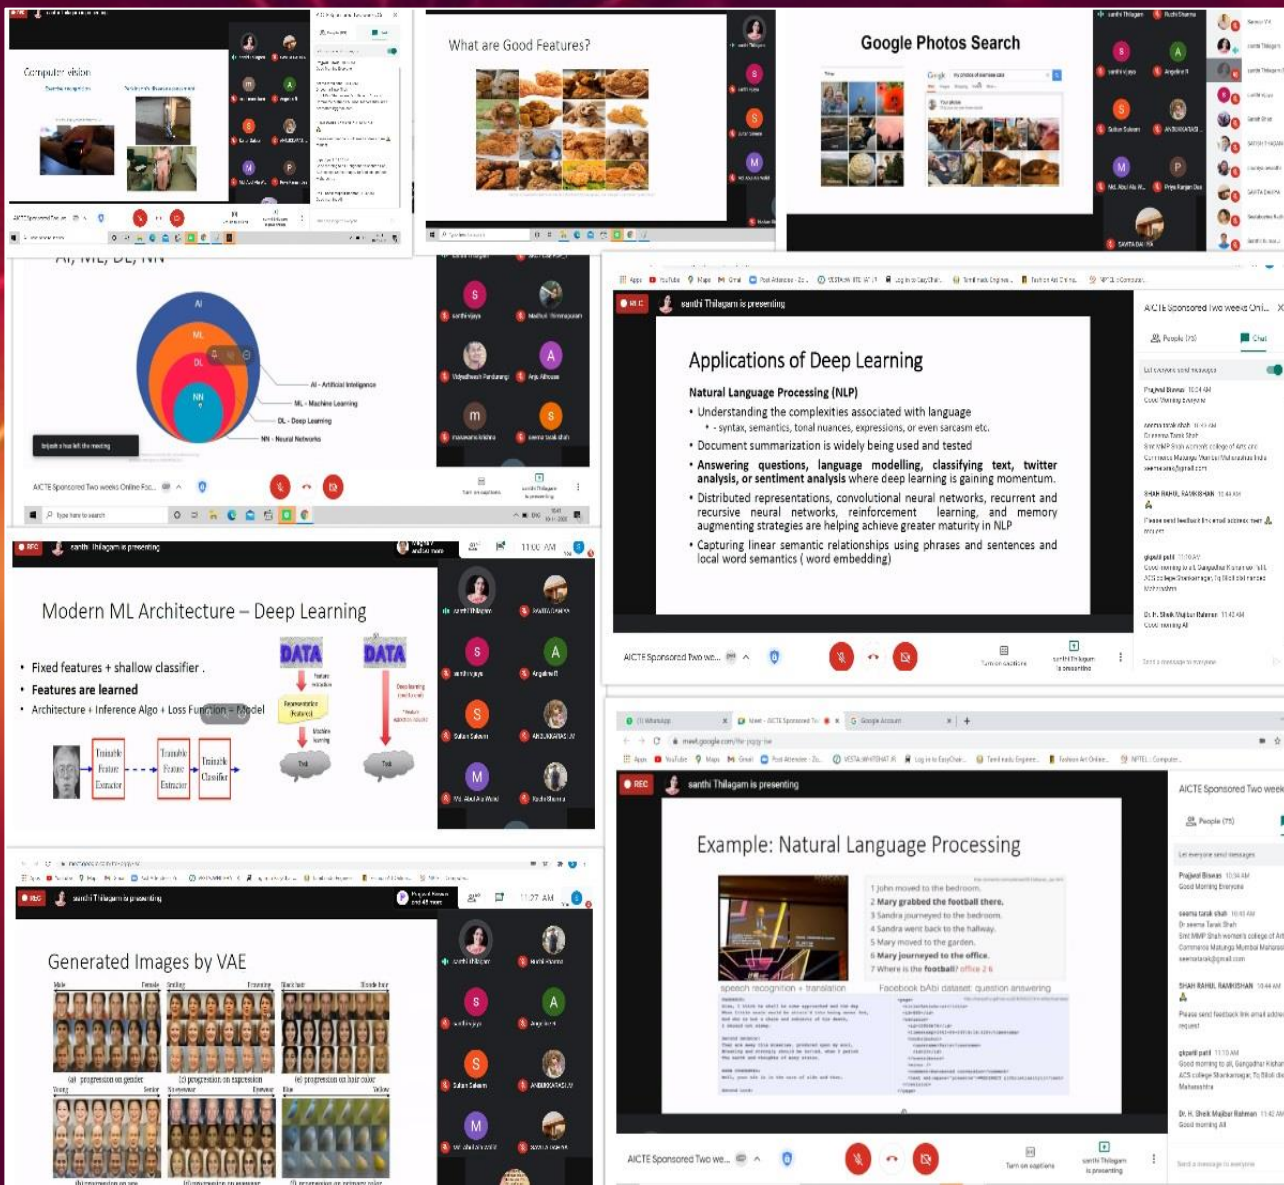

The Dept. of CSE organised AICTE sponsored Two-week Faculty Development Programme on “Deep Learning in Image and Computer Vision Applications” facilitated by Dr P V S S R Chandra Mouli, Assoc. Professor and Head, Central University, Tamilnadu on 09 November 2020.

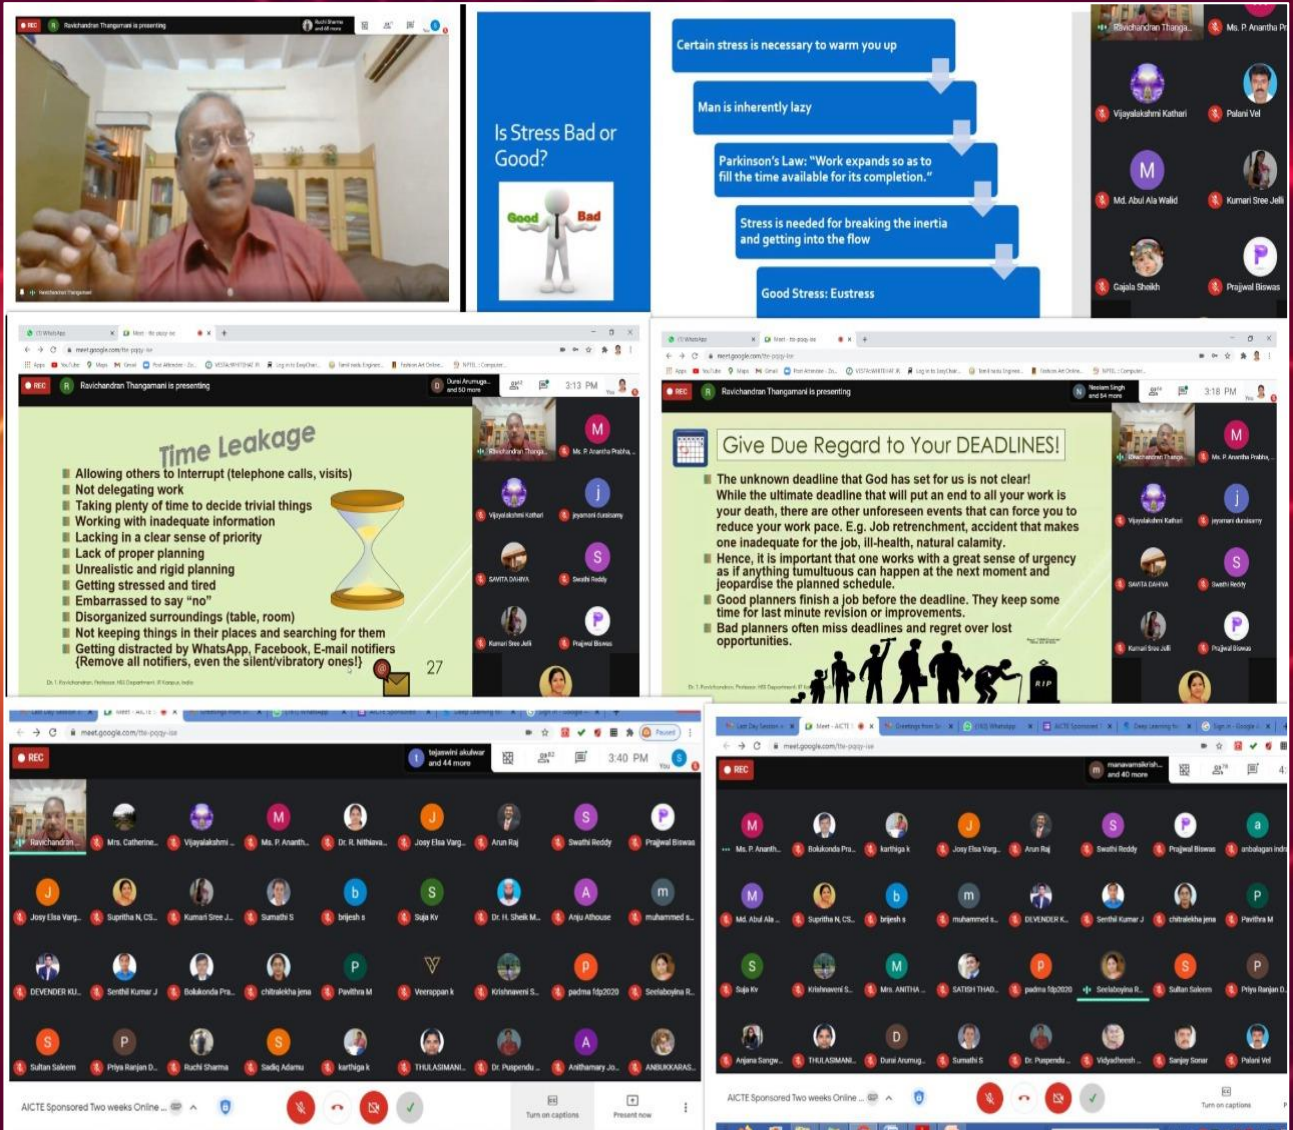

# CSE | AICTE SPONSORED FDP ON DEEP LEARNING IN IMAGE AND COMPUTER VISION APPLICATIONS

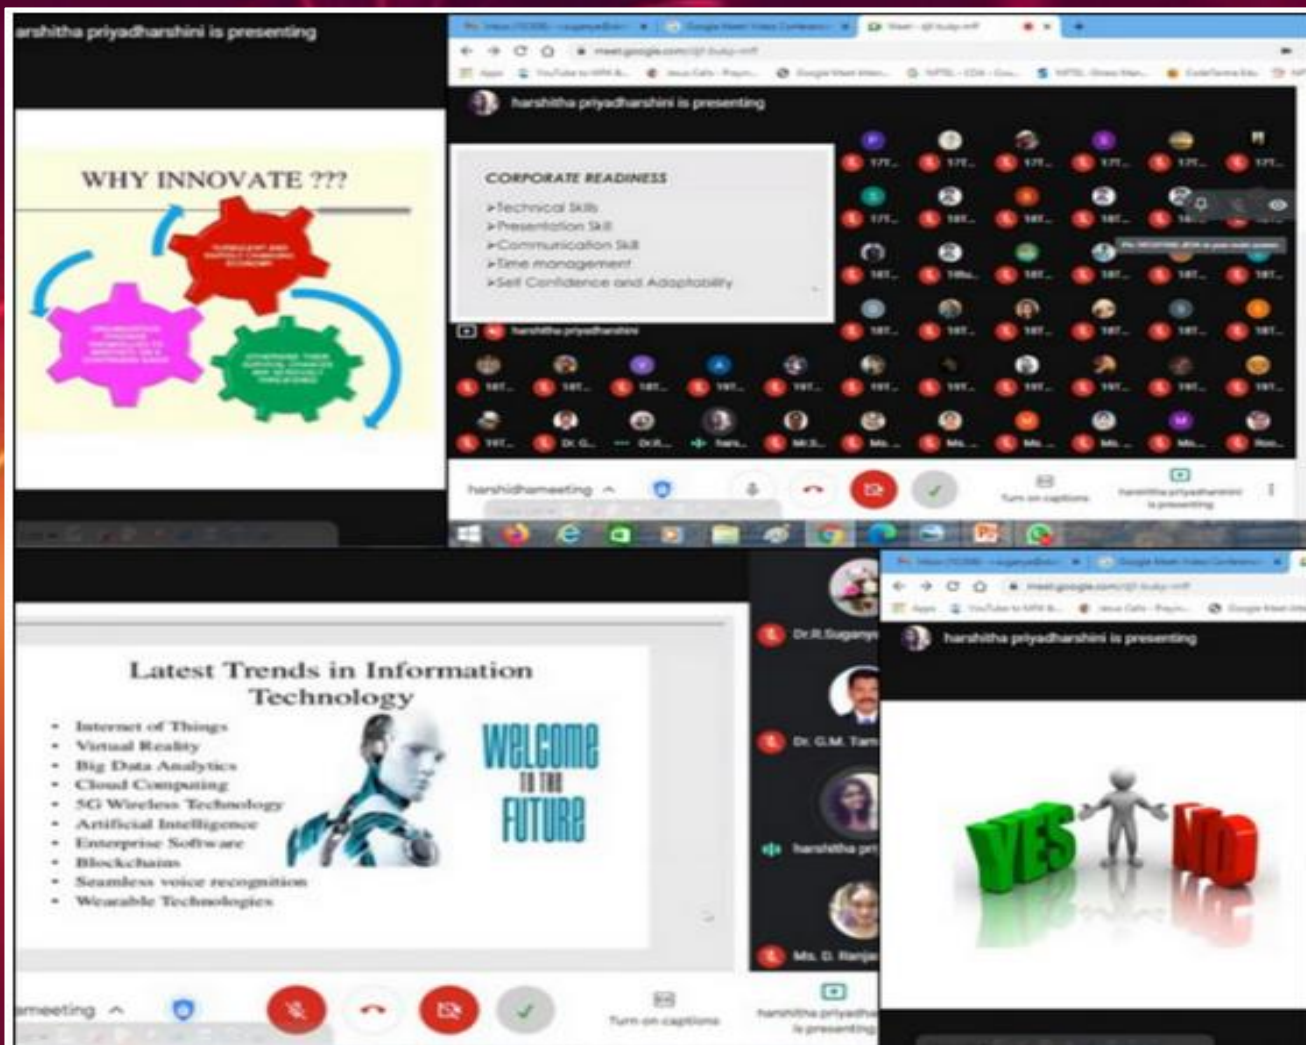

The Dept. of CSE organised AICTE sponsored Two-week Faculty Development Programme on “**Deep Learning in Image and Computer Vision Applications**” facilitated by Dr P Santhi Thilagam, Professor, Dept. of CSE, NIT, Surtathkal on 10 November 2020.

# CSE | AICTE SPONSORED FDP ON DEEP LEARNING IN IMAGE AND COMPUTER VISION APPLICATIONS

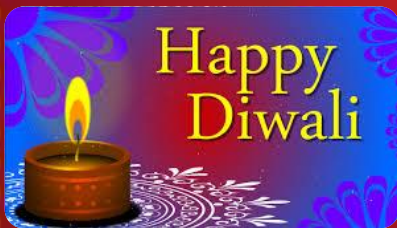

The Dept. of CSE organised AICTE sponsored Two-week Faculty Development Programme on “Deep Learning in Image and Computer Vision Applications” facilitated by Dr T Ravichandran, Professor, Dept. of Humanities and Social Sciences, IIT, Kanpur on 10 November 2020.

## IT | WEBINAR ON INNOVATION TOWARDS YOUR CAREER

The Dept. of Information Technology and Institution's Innovation Council organised a webinar on **"Innovation Towards Your Career"** facilitated by Ms Harshitha V, Professional Programme Analyst, DXC Technology, Bangalore. Dr R Suganya, Asst. Professor, Dept. of IT, coordinated the event. The Members of Faculty and Students of B.Tech. IT attended the webinar on 07 November 2020.

# MEETINGS & DISCUSSIONS

@skctdigest

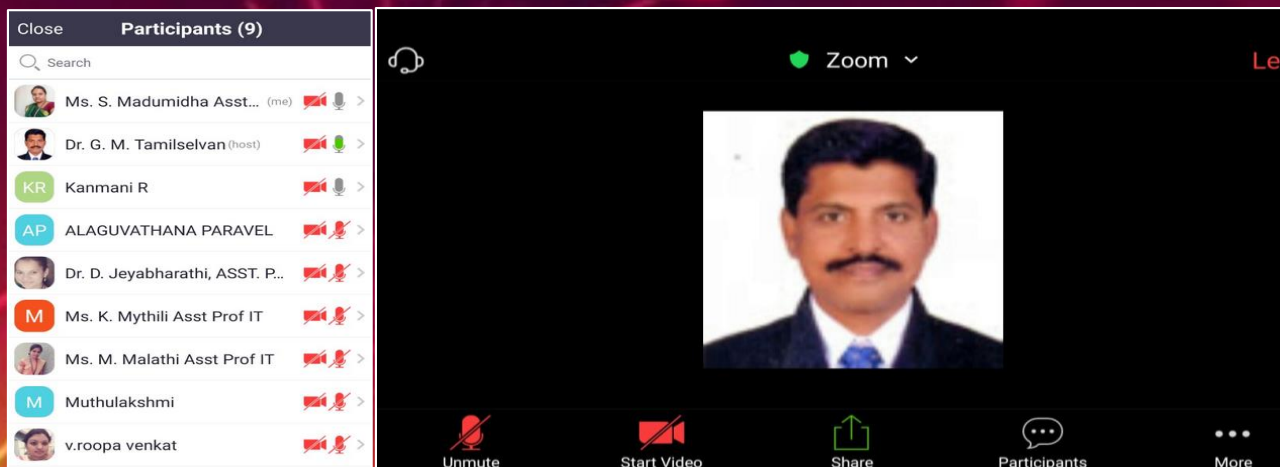

@skctofficial

digestfeedback@skct.edu.in

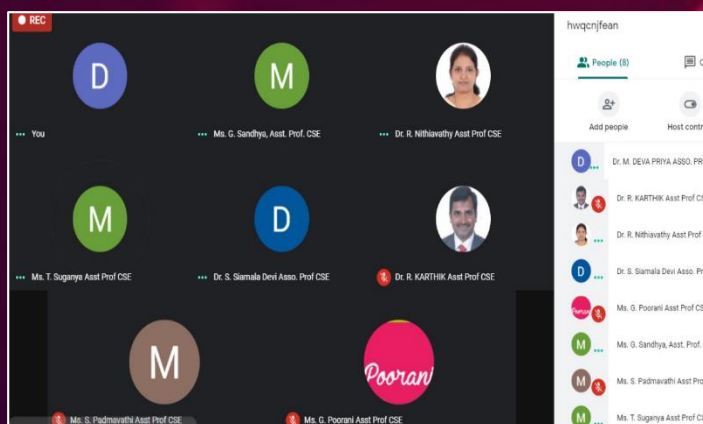

## IT | DEPARTMENT MEETING

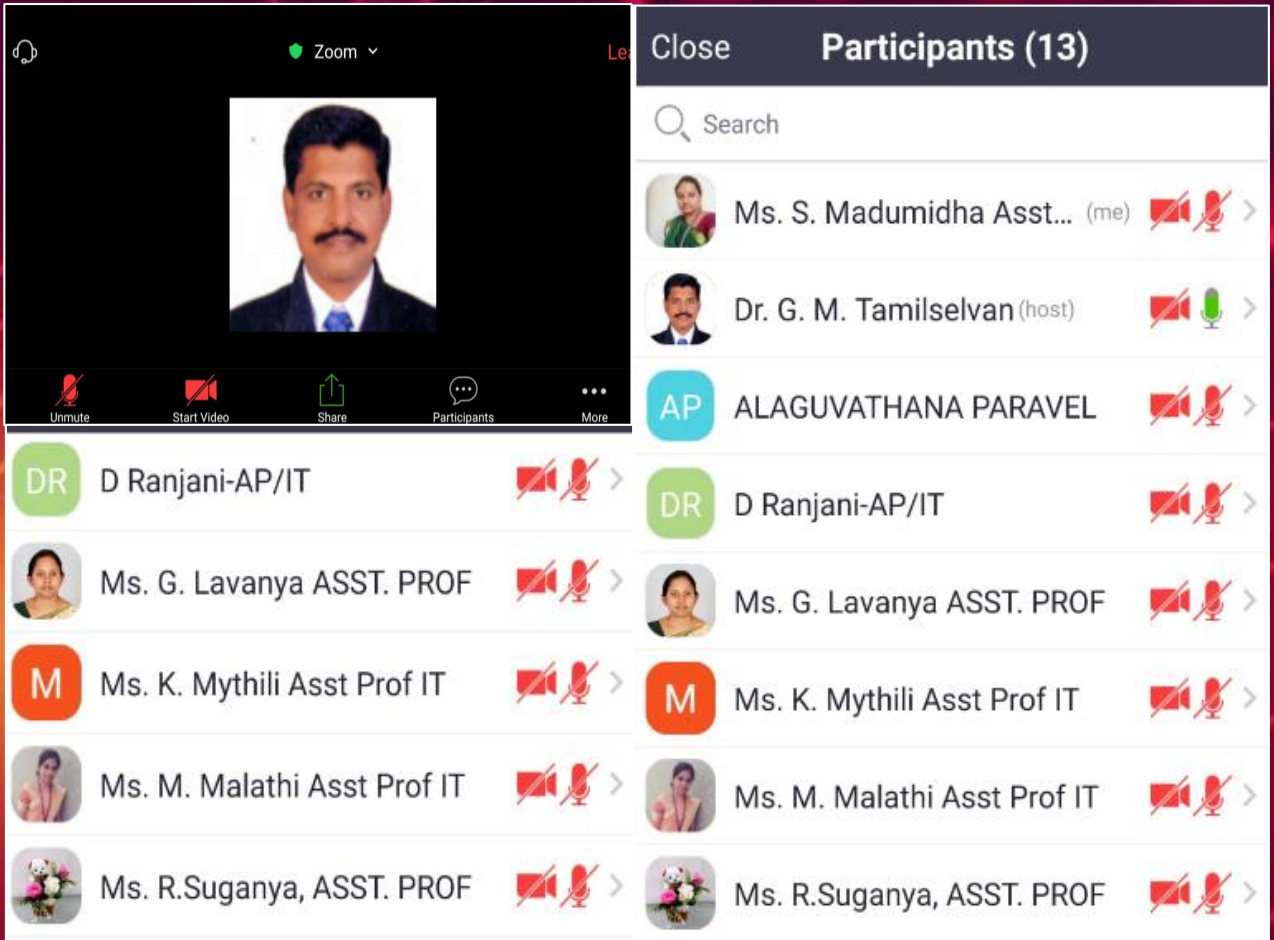

Dr G M Tamilselvan, Professor and Head InCharge, Dept. of IT, conducted a meeting with the Members of Faculty regarding the Online Courses, Research and Academic Progress on 03 November 2020.

## CSE | COURSE COMMITTEE MEETING

The Dept. of CSE conducted a Course Committee Meeting regarding the Preparation of Contents for First Year Courses on 06 November 2020.

# IT | DEPARTMENT MEETING

Dr G M Tamilselvan, Professor and Head InCharge, Dept. of IT, conducted a meeting with the Members of Faculty regarding the Academic Activities, Research Progress and End Semester Examination on 05 November 2020.
