### Mindset of a normal Employee

- I don't like to be challenged
- My potential is predetermined
- When I am frustrated, I give up
- I stick to what I know
- I am a 9 am - 5 pm person
- I am happy with what I am doing for the last several years

## Career progression (Cont'd)

**Type 2:**

- Highly performance driven
- The results speak for the person
- Organisations will try to retain such people because they bring a lot of value / business / results for them
- If the existing company doesn't take care of them properly, the competitors will try to headhunt such high performers
- They create a huge demand for themselves in the market
